GEORGE DICK BUYS THE QUINN WHARF

At Meeting Yesterday Common Council Authorized Sale at \$10,700—Claim of R. M. Tobias Paid in Full.

The common council at its meeting yesterday ordered the payment to R. M. Tobias of \$2,664.86, in full of his claim in connection with the East St. John water extension. The sale of the Quinn wharf to George Dick at \$10,700 was authorized, and several matters of routine business were disposed of.

Mayor Hayes presided and Commissioners McLellan, Hilyard, Bullock and Fisher were present.

The committee of the whole recommended that George W. Parlee be given the privilege during the will and pleasure of the common council to place a lunch wagon near the place where Joseph McCarron has his, (the exact site to be set out by a public engineer). The terms to be monthly and the rental \$10 per month.

The commissioner of finance and public affairs recommended that the following departmental accounts for the month of November last be paid, namely:—Treasury department, \$440.93; public safety department, \$3,561.54; public works department, \$233.76; water and sewerage department, \$1,463.76; harbors, ferries and public lands department, \$3,291.52; and reported payments for the month of November last amounting to \$184,703.78. Adopted.

The commissioner of harbors, ferries and public lands recommended the issue of a renewal lease to Mrs. Jennie Irvine, of a part of Lot No. 4 in the Parish of Lancaster, from the 1st day of May last at a rental of \$29.22; and that the offer of George Dick of \$10,700 for the property known as Quinn's wharf be accepted. Adopted.

The commissioner of water and sewerage recommended that R. M. Tobias be paid the sum of \$2,664.86, in full of claim against the city, re East St. John water extension. Adopted.

A letter from N. L. McGloin, asking for a share of the city's fire insurance was referred to the committee.

A letter from the deputy minister of marine asking that the city consider the opening of fishway in the dam at Mipec, was referred to the commissioner of water and sewerage.

Commissioner Fisher reported that under resolution of council dated January 9, 1917, the services of Dr. T. E. Johnston as veterinary surgeon had been secured, the cost to be apportioned to the safety and public works departments. This appointment had not been made and the controller refused to pass Dr. Johnston's bill.

Commissioner McLellan moved that the services rendered by Dr. Johnston to the public works department be not considered as included in the resolution of January 9, 1917. Carried.

Mayor Hayes read a telegram from A. P. Barnhill, which he had received since entering the council chamber, stating that the Canadian Northern Railway directors would arrive in the city Friday afternoon and spend all day Saturday here.

The bowlers of the City League are to assemble in Black's this evening to discuss some rather important matters.

THE COMMERCIAL LEAGUE.

In the Commercial League series on Black's Alleys last night the Post Office team not only captured four points from the C. P. R., but the manner in which the P. O. boys knocked plus down made the bowlers take notice. Levis and Maxwell each rolled a 125 string, which is the highest in the league this season. The individual score follows:

CIRCULAR SETTING FORTH ACTIVITIES

Canadian Manufacturers' Association Endeavoring to Obtain More Steamer Accommodation for Canadian Merchants.

The secretary of the Board of Trade yesterday received from the Canadian Manufacturers' Association a circular setting forth some of the activities of that body in an endeavor to obtain more steamer accommodation for the needs of Canadian merchants.

As a result of their activities they have been asked to submit a list of goods proposed to be shipped, the prospects for 1919 tonnage, the number of tons of goods awaiting shipment, and the countries to which they are to be shipped.

The association pointed out to the shipping authorities the need for more space from Canadian Atlantic ports to South Africa, Australia, New Zealand, West Indies, and a regular service to South America, and from Pacific ports to Australia, New Zealand, Hong Kong and Shanghai.

The Association has been notified that as soon as possible a steamer will be placed at St. John, to load for South Africa. Vessels for Australia and New Zealand will be available in the near future and a steamer for South America will be at Halifax between December 10 and 15.

For the Pacific coast the Dollar S. S. Lines have agreed to inaugurate a regular monthly service from Vancouver to Hong Kong, Shanghai, Manila and other eastern ports, and it is expected the regular sailings of the Union Line to Australia and New Zealand and the C.P.R. to China and Japan will be resumed soon.

CORP. HERMAN J. GOOD, BATHURST SOLDIER, WINNER OF THE V. C.

Went Overseas With 55th Battalion—Brig.-General Tunford Writes Regarding the New Brunswick's Bravery.

That Herman J. Good, son of Mr. and Mrs. Walker Good, of Big River, belongs to a most distinguished band of men is shown by the fact that in all the notable feats accomplished by the Canadian at the front during the war, only forty were of such a character as to be worthy of the Victoria Cross. Of these forty only two were born in New Brunswick, and as the other gallant winner of the coveted decoration died as a result of the severe wounds he received, Herman Good has the distinction, and it is a very proud one, of being the only living winner of the famous medal among the men of this province.

Here is a copy of a letter recently received by Mrs. Good, the mother of the man who has brought exceptional honor to Bathurst, from the Brigadier-General of the 55th Infantry Brigade:

Dear Mrs. Good:
I am writing to congratulate you on being the mother of one of the best soldiers as your boy, Corporal Herman Good of my 13th Batt. I thought you would like to know how proud his battalion is of him in adding fresh glory to their name, and I sincerely trust that this cruel war may soon come to an end and your boy return back to you again. When he does you will find that he is much made of, for he has gained by his bravery the highest and most coveted decoration the British Army has to offer. This is the 7th V. C. this Brigade has earned, but unfortunately only three of the men who won them are alive today. Believe me, G. S. TUNFORD, Brig. General, 3rd Can. Inf. Brigade.

In addition to writing this most agreeable letter, General Tunford enclosed the following clipping, which gives a little more information than has yet been received here of the circumstances under which Corp. Good

Corp. Herman J. Good, V. C. Awarded for most conspicuous bravery and leading. When in attack his company was held up from heavy fire from three machine guns which were seriously delaying the advance. Realizing the gravity of the situation this N. C. O. dashed forward alone killing several of the garrison and capturing the remainder.

Later on Corp. Good while alone, encountered a battery of 5.9 inch guns which were in action at the time. Collecting three men of his section, he charged the battery under point blank fire, and captured the entire crews of three guns. In addition to receiving the Victoria Cross, Cpl. Good was promoted shortly after his gallant exploits, and now he is Sergt. Good. As he has been on active service for three years having gone over with the 55th Batt. it is not unlikely that he will be sent back with some of the first troops to be returned.
