SHUTTLEWORTH'S INKS.

These INKS are rapidly taking the first place among atmospheric fluids, and, wherever introduced, have given perfect satisfaction. They are prepared with chemical accuracy, and are always depended on for uniformity. The

Blue Black Writing Fluid.

Will be found a great comfort to those who have much writing to do, as it possesses all the characteristics of the best imported inks, and has been pronounced decidedly superior in regard to its freedom from a tendency to clog and corrode the nib of a pen. Testimonials have been received from many gentlemen holding the highest places in professional and commercial circles, and this Writing Fluid is now largely used in leading legal educational and financial establishments.

MAKE HENS LAY

An English Veterinary Surgeon and Chemist now travelling in this country, says that most of the Hensand Cattle Feedersthat he has seen here are worthless trash. He says that Sheridan's Condition Powders are absolutely pure and (immensely) valuable. Making up each will make hens lay like the Sherriden's Condition Powders. Do not use compoundsto be put for food. Sold everywhere, or sent by mail for eight letter stamps.

STRANGE BUT TRUE.

THE ONLY SURE CURE FOR DROPSY
 READ THE FOLLOWING
 Messrs. C. GATES & Co.,
 Colton's Point, Nov. 20, 1881.

Gentlemen—I should have written to you before, but neglected to do so. I feel it my duty to send you the following information from a gentleman to you and the benefit of those suffering as I was. About five years ago I was greatly afflicted with Rheumatism and Dropsy; my legs were swollen to an enormous size; I could not get from my bed without the aid of my wife for several days at a time. I tried all kinds of patent medicines, and a number of bottles of Dr. Linares' Electric Oil, and also Johnson's Liniment, but found no relief. I applied to several doctors, from whom I received no benefit. In the following summer I went to Halifax, to the Provincial Hospital, and lay under the doctors' treatment for eight weeks. I had my legs tapped twice and bled several times. I suffered day and night—everything but death. I then left that institution and returned home, having received little or no benefit, and expecting never to get any better. I was then advised by a friend to resort to your valuable medicine, No. 1 Syrup and No. 2, and No. 3, Bitters, with a box of Nerve Ointment and Vegetable Plaster. The first few bottles I used I did not feel much better, but when I had taken six bottles the swelling was going down in my legs, and my whole system began to feel better. In all I used but twelve bottles, and I am now enjoying the best of health. I am thankful to God that he made your medicine an instrument in His hands of saving my life.

Yours very truly,
W. E. SHAFPER.
 Sworn to before me, at New Dublin, this 27th day of December, 1881.
