My Man is a Shields Man.

He says SHIELDS are comfortable. Easy to live with. And, what's more, SHIELDS have the sensitivity he's looking for.

Those are his reasons but I've got one of my own. Over the years, I've always felt protected from pregnancy. To me, ORTHO means quality.

When we first talked about it, we decided to use condoms. We started with SHIELDS and we're staying with SHIELDS. For his reasons... and mine.
