Mr. W. L. Mackenzie King

Dear Sir:

Allow me to congratulate you upon the publication of your great work Industry & Humanity which I have just finished reading with the greatest delight and satisfaction. I hope the work will have the circulation it so richly deserves.

If the work could get a good review in our Ecclesiastical Review which is read by most of our English speaking priests in Canada & the States I believe it would do a lot of good and materially aid in giving it a much larger circle of readers. The Ecclesiastical Review is published monthly in Philadelphia 1305 Arch St. by Dolphin Press.

Yours very respectfully

Theobald Spaten, Sup. Cl.
