emroy. I don't have been 200 yards behind those in front of me. Between the time I left the trunk & the ATS. barracks I didn't see or hear any disturbance. If there were a fight it would have had to be a very short one or I would have caught up to it.

Cross Exam:

I don't know what time he was in the barracks they came here in the emroy. They were waiting for it. I didn't see the get in a trunk. There were 6 or 8 trunks in the emroy. They were about 20 yards apart. I stopped only long enough to light a cigarette.

By the Court:

There are several ways to come to the camp. There were people in front of me.

The evidence is read over to the accused.

It is depending upon what is being read.

It is during address of the Prosecutor; Davidson's evidence should be accepted. If it is the accused's fault.

The Court is closed & consider the finding of fact. The finding is returned in Part 1 of the Labarre.

The Permitted answers to the finding of fact 'guilty' on the second charge.
