CANADIAN BANKING PRACTICE

THIRD EDITION. NOW READY.
(HANDSOMELY BOUND IN CLOTH, \$4 PER COPY)

QUESTIONS ON CUSTOM AND USAGE AND LAW. Published under the Auspices of the
Canadian Bankers' Association (Compiled by John T. P. Knight).

The hundreds of questions and answers on Canadian Banking Practice deal with nearly every possible point of practical interest likely to present itself during the daily routine of a bank. The replies relate to acceptances, cheques, endorsements, deposit receipts, letters of credit, circular notes, warehouse receipts, partnership accounts, bankers' lien on goods, forgery, alteration and loss of negotiable instruments, bills of exchange, promissory notes, principle and surety, etc., etc., etc. Mr. J. T. P. Knight, the compiler of "Canadian Banking Practice" has classified and indexed the Questions on Points of Practical Interest. The value of such a work must be apparent, and a copy of the book should be in the possession of every bank official and business man in the country who desires to be informed upon points likely to arise in the course of dealings between banks and their customers.

For Sale at The Chronicle Office, 160 St. James Street, Montreal.
