The Prudential Insurance Company, Newark, N.J., has just published a little booklet addressed to mothers and having entirely to do with the care of babies. It has been called "The Baby Book," and is replete with excellent advice and other useful information as to the health, feeding and physical and moral training of the new arrival in the household. An edition has been printed for general distribution and any one desiring a copy can secure the same by writing to the home office of the company at Newark, N.J., or by making request to the local Prudential agency in the town or city where they reside.
