FREIGHT PAID. The Freight on any single animal purchased by a resident of Ontario, to be shipped to a desunation in Ontario, will be paid by the Ontario Department of Agriculture up to \$2 per head. While a limit of \$2 per head is set, it is not expected that it will be necessary to confine the payment of freight to this amount. It is hoped that it may be possible to pay the entire freight bill for stock purchased to be shipped to Ontario points.

For Catalogues and particulars regarding any of the Sales, address the Secretary at the point of sale, or make application to
