## MONEY IN POTATOES

Every Bag a DOLLAR

Get them all

THE farmer with a big crop of potatoes has a gold mine at his back door.

Every bag is a dollar.

Every bag left in the ground is a dollar lost.

Every bagful chopped by the plow is a dollar lost.

If it costs \$5.00 too much an acre to harvest them it is \$5.00 per acre lost.

To handle the whole crop and handle it cheaply is going to make a big difference in the profits.

We can help you there. Our book "Money in Potatoes" has ideas that will help you to mine that crop of potatoes to the last dollar.

Dollars saved in the potato field are as good as extra bushels to the acre.

The "big crop" coupon will entitle you to a free copy of the book "Money in Potatoes." Send it in to-day. There is money in it for you.
