GOSSIP.

It is writing to advertisers, mention the "Farmer's Advocate"

JOHN I. BALSDON'S COTSWOLDS.

Mr. John I. Balsdon, of Balsam, Ont., whose advertisement of Cotswold sheep appears in this issue, is one of those men who has worked faithfully and patiently to establish a strictly good flock, and from what we saw at the time of our visit to the farm, it occurred to us that he had not labored in vain. The present flock of thirty breeding and a half a dozen shearing ewes, with the thirty odd lambs, about equally divided in sex, are a strong, well-covered, uniform bunch. The foundation stock was obtained and replenished from time to time from such breeders as Thompson, Miller, Ward, and Morrison, many of which are bred direct from imported sires or dams or both, and we were informed that a bunch were expected from England this fall. The present stock ram has proven very satisfactory as a sire, and Mr. B. expressed his satisfaction with his progeny. In conformation we found him a very strong, rugged sheep, splendidly covered, has good bone and a grand back, with quality all over. Mr. Balsdon is offering stock of all ages and both sexes for sale, and we would suggest to intending purchasers that they will not remain long when offerings are made known.

Mr. Balsdon has also a limited number of Shorthorn cattle, and as he is in a section where he has access to some of the best sires in the breed, he frequently has a good young bull or two for sale. This season he has an October calf that he thinks equal to if not the best he has ever raised. Watch Mr. Balsdon's advertisement.

RECENT SALES MADE BY MR. W. D. FLATT,
HAMILTON, ONT.

Mr. W. D. Flatt, of "Trout Creek Stock Farm," has recently made the following sales:—To Jas. Yule, manager for the Hon. Thos. Greenway, Crystal City, Man., Clara 33rd (imp.), 2-year-old heifer, of excellent quality; Village Blossom, red yearling, good enough to show in any company; Red Rose (imp.), 2-year-old, possessing strong Shorthorn character, an exceedingly good milker; Dreyfus, a 7-month roan bull; this is a really good calf, and in the hands of Mr. Yule should develop to be a winner in any company.

To W. T. Miller, Carlos City, Ind., Cecil Lady (imp.), an excellent 3-year-old, she being a remarkably heavy milker; Trout Creek Clan Alpine, a very promising red bull calf; Lustre 18th (imp.), a 2-year-old heifer, with superb quality.

To G. G. Pettit & Son, Freeman, Ont., fourteen 2-year-old (imp.) heifers, four yearlings, one yearling bull, and one 2-year-old bull, making twenty head in all. The above were selected by Mr. Geo. Campbell, Kinellar, Scotland, whose experience while assisting his father in the management of the famous old herd at Kinellar is the best guarantee that the lot is composed of animals of the right sort. There are five red heifers got by the Gordon Castle bred bull, New Year's Gift, and out of Jealousy, Mysie, Minerva, Lily of Towie, and Lady Annie families; the Jealousy 2-year-old red heifer, Rose of Towie 3rd, is an exceptionally wide-topped, good heifer, whose granddam, Japonica 4th, was got by the Highland Society prize bull, Lord Chelmsford, to whom a number are closely related. The roan heifer, Coquette, is a particularly well-bred heifer, that will satisfy the most critical judges, showing great wealth, good shape and constitution. There were two heifers from Neither Augustown—one, the Mary Anne, got by Maximus, tracing back to the old Kinellar Minas. Crabstoun Beauty 5th is also an exceptionally good heifer, descending from the Kinellar bred cow, by Young Pacha. Muriel, a nice, low-standing, sweet heifer, with good tip and attractive head, got by the noted sire, Star of Lancaster. This is a very choice specimen of the late Mr. Sylvester Campbell's highly esteemed Mina family, so full of old Sittytown blood, her granddam being got by the noted bull Gravesend. Lily and Rosie are two exceptionally good yearlings, with lots of Cruickshank blood in them. The two-year-old bulls, Matabate Chief, bred by Mr. Wilson, Pirriemill, and out of Meadow Queen, by the noted sire, Boulevard, a fine, lengthy bull, good top and ribs; the yearling bull, Red Light, bred by Mr. J. Black, Barthelchapel, by the Upper Mill sire, Capt. Ripley, and from the noted Gordon Castle Lustre tribe, this being a very sweet-topped, level bull, showing very good character. Among this lot there are seven straight Cruickshank pedigrees, the balance being Scotch. They will compare in breeding with any importation. They have not been highly done in Scotland, and are only in moderate condition. The greater number of the females have been bred to Count Aramant, he being bred by Mr. Duthie, and Mr. Campbell paid Mr. Duthie \$500 for him when a calf. This gives Mr. Pettit now a very large herd of both imported and Canadian-bred stock, and I feel satisfied this acquisition of import stock to his already strong herd cannot help but prove profitable to him.

To George Harding & Son, Waukesha, Wis., eight head, comprising the following: Daisy of Strathallan 13th, a red 5-year-old cow; Eurilla, roan 7-year-old cow; Trout Creek Lady, 3-months-old calf; Missie of Neidpath 20th, a red 4-year-old cow; Maid, 3-year-old roan cow; Alice (imp.), a 3-year-old cow; Nonpareil 33rd (imp.), 2-year-old red heifer. Mr. Harding has in this bunch a choice lot of profitable individuals, both as regards pedigree and quality. Of the animals, I consider Missie of Neidpath 20th the most valuable cow in Ontario; in fact, every one of them are worthy of comment. Eurilla, Missie of Neidpath 20th, Maid, and Daisy of Strathallan 13th, have produced the choicest calves in my herd the past season. I still have Missie of Neidpath 20th's and Maid's calves; they are both promising enough to make show bulls. Eurilla's calf Mr. Harding takes with him. Without a doubt she is a most remarkable one, and has been pronounced by competent judges one of the very best things in my herd.

To C. Hintz, Fremont, Ohio, Mina Lass 10th, a dark roan 2-year-old. This is a show heifer, and choicely bred. Mr. Hintz has purchased her to fill up his herd for exhibition purposes. Likes the "Farmer's Advocate." W. P. Harrod, proprietor "Idlewild" Shorthorns, Vermont, Cooper Co., Mo., writes: "I consider the ADVOCATE a very progressive paper, and am glad to do anything to advance any publication so advanced in its ideas. Beg to thank you very much for the binder, as I wish to keep them on file."

Summer Hill Herd

The largest herd of imported and Canadian-bred YORKSHIRES of the large English type in Canada. Twenty-five matured imported sows, among them being several Royal winners.
