THE RAILROAD COLORS!

These Colors are very finely ground, and are all of the same thickness and consistency as white lead, only requiring to be thinned with raw linseed oil or turpentine to be ready for use.

They are the BEST PAINTS in the World! for all interior or exterior painting, and are composed of TWENTY COLORS, all of which, in combination or contrast, are suitable for either purpose. The MOST ECONOMICAL PAINT!

One painting with the Railroad Colors is the equivalent in every respect of two paintings with colors made of the best white lead. The MOST DURABLE PAINT!

which can be obtained by any means and at whatever cost, and they will resist the influence of light, heat and moisture longer than any other paint. The superiority of the Railroad Colors for house painting, agricultural implements and general use is no mere matter of assertion. They have stood the test for years, and more than one hundred thousand houses stand at this writing throughout Canada and the United States painted with the Railroad Colors, and among all the owner of these there has not been in a single instance a reasonable ground for complaint.
