PAY WHEN CURED.

If you come to me and I tell you that I can cure you I've got confidence enough in my treatment to take all the chances. I am curing hundreds of weak men and women every day, and I know what I can cure and what I can't. If you will secure me you need not pay until cured.

WEAK, PUNY MEN

I know that no man remains a weakling because he wants to. I am sure that you want to overcome every indication of early decay that has shown itself on you. I don't think the man lives who would not like to feel as big and strong as a Sandow, and I know that if you have a reasonable foundation to build upon I can make you a bigger man than you ever hoped to be. I want you to know that you who can't believe it, and I want you to have my book in which I describe how I learned that strength was only electricity, and how I learned to restore it; also I want to tell you the names of some men who will tell you that when they came to me they were physical wrecks, and are now among the finest specimens of physical manhood.

Get the Grandest of All Remedies—

DR. McLAUGHLIN'S ELECTRIC BELT.

To those who still doubt there is any cure, because they have been misled by false representations and want evidence of cure in their own cases before paying, I am willing to take all the chances of curing any case of **Rheumatism, Lumbago, Lamé Back, Sciatica, Varicocele, Nervous Debility, Constipation, Lost Energy**, resulting from exposure and excesses in middle-aged men. Give me reasonable security and you can have my Belt and pay me when you are satisfied that the cure is complete.

I want you to read my book and learn the truth about my arguments. If you are not as vigorous as you would like to be, if you have rheumatic pains, weak kidneys, loss of vitality, prostatic troubles, nervous spells, varicocele or any ailment of that kind that weakens you, it would assure you future happiness if you would look into this method of mine. Don't delay it, your best days are slipping by. If you want this book I send it closely sealed free if you send this ad. Call for free consultation.

DR. M. McLAUGHLIN, 130 Yonge St., Toronto. Office Hours:—9 a.m. to 6 p.m.; Wednesday and Saturday till 8.30 p.m.

Sheet Steel Ceilings
have many advantages over those of wood and plaster.
There are no expenses for repairs due to leaking roofs and the moving of heavy furniture.
They never crack or warp. They are both fire and water-proof.

PEDLAR STEEL CEILINGS
combine these valuable features with handsome, artistic designs, light and elegant appearance, simple and practical construction, and the highest form of ornamentation. Joints are unnoticeable—use of panels avoided.
Special drawings are made for each ceiling, showing exact position of every piece, without extra charge.
We will send catalogue to those interested in house construction on request.
