tution already established to their hand, rather GERMAIN ST. WESLEYAN SABBATH SCHOOL opinion that every thing does not proceed har-

rit in which the Legislature of Nova Scotia has uniformly dealt with the claims of her deaf mutes during the last thirteen years." Now we find by the Report that, so far, at least, as the last year is concerned, the New Brunswick Legislature scems to have dealt the more liberally with the Institution paying \$511.25 towards the education of sourced or special mention. A collection, anouncing to \$15, having been taken up, educational expenses of 34 pupils, or a educational expenses of 34 pupils, or alittle less than \$59 each !

meeting was closed with the benediction.- engagement to build the Pacific railway within place in the week's paper-We ascertained Telegraph. In another paragraph, the Directors order the Secretary to write of "Prince

Edward Island as perhaps doing as much General Intelligence. in proportion as New Brunswick;" and yet we find P. E. Island Legislature pay-

DESTRUCTIVE FIRE AT ST. JOHN, N. B .ing only \$166.62 towards the educational expenses of 7 pupils, or less than \$24 for each lowing are the particulars as far as yet ascer-

We can scarcely understand the policy tained of this disparagement of New Brunswick The fire was got under about one p.m. The Legislative liberality, as compared on the one hand with that of Nova Scotia and on the other with that of Prince Edward Is- ed; Smith's Blacksmith Shop, totally destroy-destroyland; it seems to us an ill-judged policy, if the object is, as we suppose, to secure more because of wooden buildings owned by Mr. George Bedell-uninsured, total loss; Sarrence's brick building, total loss-unhearty co-operation on behalf of the Instihearty co-operation on behalf of the Insti-insured; two wooden buildings-uninsured; tution from Provinces other than Nova large brick building lately erected by Allan Scotia. It appears better calculated to dis- Bros,, on Water street-insured for \$10,000; courage than to invite such co-operation. wooden building owned and occupied by Mr. We hope that it may not have this effect : James Harris as a foundery store-insured five since we are sure that it will be far better or six other buildings in addition to above.particulars not ascertained. Estimated loss \$50,- carrying a resolution, authorizing the Governfor New Brunswick, Prince Edward Island. and Newfoundland to unite with Nova and Newfoundland to unite with Nova Scotia in enlightened philanthropic deter-mination to build up this Institution to mable material. There was a deficiency in the cquality in every respect with the best supply of water, consequently there was a decledency in the labout thirty miles. Institution of its kind, rather than to separately attempt to make proper provision for the education of the class which it is de-

one, well managed, and using eace and work, it ought to be greatly enlarged and improved, and arrangements ought to be made to place its inestimably valuable ad-or lassical Literature and History, at the Uni-versity of New Brunswick. Professor Camp-on Education, submitted a report, in which tes-bell some years ago married the daughter of the offence of sening interaction. The Prov Secy., Chairman of the Committee on Education, submitted a report, in which tes-timony is borne to the efficient condition of the terms of the secret.

MISSING LETTERS .- The "Union Advocate" be both multiplied and deepened in all these published at Newcastle, Miramichie, says :

Three letters were forwarded from this place for Halifax some time ago, as also one from Richibucto for the same place, none of which have reached their destination. One of the letters from New astle contained a gold draft MR. SARGENT'S LECTURE HEROES OF THE REFORMATION. tor \$200. If there has been any tampering, (and certainly does look very much like it) we sincerely hope that every effort will be made to complete the ballots in the structure of the firm to whom Temperance Hall was comfortably filled last evening by a most apprehensive audience to Wesleyan Institute, by Rev. Wm. Sargent, on the letter, were addressed, thus writes to the to do so. Considerable discussion took place merchant in town who forwarded the draft,-"Heroes of the Reformation." Joseph Bell, Esq., High Sheriff, President of the Institute, Esq., High Sheriff, President of the Institute, occupied the Chair, and on the platform were besides yours are astray from your town, and

(From Our Own correspondent.) POLITICAL.

tew well-timed remarks, brought to the notice ST. JOHN'S, N. F., March .- The Legislative of the audience, the object and claims of the of the audience, the object and claims of the Institute, its present and prospective success, operations hitherto present few points of gene-ral interest. More than a fortuicity interest and prospective success, operations interest. More than a fortuicity interest and prospective success, operations interest. More than a fortuicity interest and prospective success. Institute, its present and prospective success, and heroism, said Mr. Sargent, are terms which offer a wild field for the display of taste and opinion. We find them in the tented field win-opinion. We find them i ning golden wreaths of fame and in the many haunts of commerce, we have our laurel crown-ed ones; but most of all are these heroes, and theirs heroism, who at the call of duty "stand up for Jesus" and if need be offer up their lives, willing sacrifices to the Master. Such is that "noble army of Martyrs" who baptized with their blood the regenerated church of the questions affecting their interests, and having a large majority in the House of Assembly they reformation, and freed millions from thraldom worse than any earthly bondage. The lec-turer regretted that time would prevent him uaming but few of the many heroes who, for Christ's honor, rose in the eventful period of the reformation, and spread dismay among the is a balance in the colony from the overflowing repontiffs of the seven hilled city. There were venue of last year, of £23,000. He does not, reformers before the reformation, Huss, Wick-however, anticipate any such revenue during hille and others, noble men, whose names would bile and others, noble men, whose names would go down to he end of time, and who claimed our attention, but though as deserving as any on leatherwa e, reducing it from twenty to of those whose names he had selected; they must, be dismissed with but a passing remark. Martin Luther, his life and times were most gra-phically pictured, and all the eventful periods of his life were presented to view, clothed in the The Receiver-General states the public debt of the Colony to be at present \$1,162,818. The value manter of the Revel grand diet at Worms, and the close the Galance manufactured goods imported during that the Revel general manues and amply proved that the Revel general manues and amply proved that the Revel general manues are stated to the Marcine for the Section of the Receiver-General.
