

We wish Mr. Cook hearty "good luck in the name of the Lord," and hope many in our day will, like him, take care to equip themselves by patient and silent toil, one for warfare in one part of the field, another for warfare in another; for whether it is the Unitarian or the Universalist, the Roman Catholic, the Deist, or the Atheist of our day, he is to be effectually met not with the studies which served our forefathers, but with those of our own.—Recorder.

If anybody is at all wanting in due respect to the Bishops of the Established Church, they had better subject themselves to a perusal of the Church papers. There, if anywhere, one thinks there should be reverence for the powers that be. The Church Times contains a poem in which is the following couplet apropos of St. Augustine:—

"Ninety-three archbishops Have ruled since he stood there." To this the editor attaches an original stanza, remarkable alike for its poetry and piety:— "And we wish the ninety-third one Would take his staff in hand, And pass away to Jericho, Perchance, or Newfoundland!" —London Methodist.

CORNWALLIS, March 4, 1878, DR. C. GATES:— Dear Sir.—I was afflicted with the Rheumatism for more than twenty years by turns particularly in the autumn, which would seize me sometime in my shoulders and sometimes in my back but in September of 1876 it took me in my hip which made me very lame. I tried several things for relief but got none until February 1877. I took a severe cold which almost prostrated me, which time you happened at my house and recommended your No 1 Syrup to me. I confess at the time I had not much faith in it but knowing I needed Physic I purchased a bottle and commenced taking it and in one week's time I was cured of my cold and what I least expected my Rheumatism too, so that I have not been troubled with it since I think that if any person has any complaint that can be cured, they had better try your medicine. Your's, with much gratitude, W. F. BURGESS.
