PERRY DAVIS'

GOOD PHYSICIAN

In curing Cholera and all Summer Complaints, Cramps and Pains in the Stomach, Sudden Colds, also for Scalds, Burns, Bruises, Sprains, Chilblains, Boils, Rheumatic Affections, Neuralgia, Toothache, Pains in the Joints or Limbs, Stings of Insects &c., &c., &c.

BEWARE OF COUNTERFEITS!

The Pain-Killer is recommended by Physicians, Ministers, Missionaries, Managers of Factories, Workshops, Plantations, Nurses in Hospitals,—in short, by everybody everywhere who has ever given it a trial.

The Pain-Killer is prepared from the best and purest material, with the most approved appliances that can be had for money, and with a care that insures the most perfect uniformity. No expense is spared to make it what it is, superior to all would-be competitors, a thoroughly reliable killer of pain. Instantaneous in action, harmless and safe in the most unskilful hands.

SUBSTITUTES.

The public are cautioned against a custom which is growing quite common of late among a certain class of medicine dealers, and which is this: When asked for a bottle of Pain-Killer, they suddenly discover that they are "sold out," "but have another article just as good, if not better," which they will supply at the same price. The object of this deception is transparent. These substitutes are made up to sell on the great reputation of the Pain-Killer; and being compounded of the vilest and cheapest Drugs, are bought by the dealer at about half what he pays for the genuine Pain-Tiller, which enables him therefore to realize a few cents more profit per bottle upon the imitation article than he can on the genuine.

BEWARE OF SUBSTITUTES!

FOR CHOLERA, CHOLERA MORBUS,

As well as all Summer Complaints of a similar nature, the Pain-Killer acts with wonderful rapidity and never fails when taken at the commencement of an attack, and often cures after every other remedy has failed. If you reside in a country place far from a physician, the Pain-Killer can be relied upon; it never fails.

FOR SUDDEN COLDS, SORE THEOAT, &c. The proverb "A stitch in time saves nine," is never so well illustrated as in the treatment of these complaints. A teaspoonful of Pain-Killer taken at the beginning of an attack will prove a certain cure and save much suffering.

TOOTHACHE, BURNS, SCALDS, CUTS, BRUISES, &c. The Pain-Killer will be found a willing physician, ready and able to relieve your suffering without delay, and at a very insignificant cost.

GOOD FOR MAN AND BEAST.

For Colic, Cramps and Dysentery in horses, the Pain-Killer has no equal, and it has never been known to fail to effect a cure in a single instance. It is used in some of the largest livery stables and horse infirmaries in the world. To resuscitate young lambs or other stock chilled and dying from cold, a little Pain-Killer mixed with milk will restore them to health

The Pain-Killer is for sale by Druggists, Apothecaries, Grocers and Medicine Dealers throughout the world. The Pain-Killer is put up in 2 ez. and 3 ex bottles, retailing at 25
