To Sunday Schools Opening in the Spring.

WE beg to call attention of Schools opening in the Spring, and others, to the following facts:

Pleasant Hours has no rival in existence in the amount of good reading furnished for the price. It is an 8 page illustrated paper published semi-monthly at the following rates per year, post paid: Single copies 30 cents each; less than 20 copies, 25 cents; 20 copies and upwards, 22 cents.

Home and School, precisely the same size and price and same general character as Pleasant Hours, has at once leaped into popularity and success. Of the first number no less than 17,000 copies were called for. For their size and quality we know no cheaper Sun-day-school papers in the world.

The Sunbeam is especially adapted for infant and primary classes. Its pretty pictures, large type reading, charming verses, and easy questions and answers on the Lessons, make it a universal favorite with the little folk and a great help to the teacher.

The Berean Lesson Leaf is published quarterly. Price, per year, post-paid, 100 copies, \$6.

Specimens of these Sunday-School Helps free. Do not fail to send for them before ordering elsewhere.

S. F. HUESTIS, 141 Granville Street, Halifax.

HALL'S

HAIR RENEWER

was the first preparation perfectly adapted to cure diseases of the scalp, and the first successful restorer of faded or gray hair to its natural color, growth, and youthful beauty.

It has had many imitations, but none have so fully met all the requirements useful for the proper treatment of the hair and scalp. HALL'S HAIR RENEWER has steadily grown in favor, and spread its fame and usefulness to every quarter of the globe. Its unparalleled success can be attributed to but one cause: the entire fulfillment of its promises.

The proprietors have often been surprised at the receipt of orders from remote countries, where they had never made an effort for its introduction.

The use for a short time of HALL'S HAIR RENEWER wonderfully improves the personal appearance. It cleanses the scalp from all impurities, cures all humors, fever, and dizziness, and thus prevents baldness. It stimulates the weakened glands, and enables them to push forward a new and vigorous growth. The effects of this article are not transient, like those of alcoholic preparations, but remain a long time, which makes its use a matter of economy.

Prepared by R. P. HALL & CO., Nashua, N.H. Sold by all Dealers in Medicines.

BUCKINGHAM'S DYE FOR THE WHISKERS
