STREET CAR MEN GET WAGE INCREASE

Brantford street railway, also radial, employees are happy to-day as a result of an increase in wages, which goes into effect June 1. The men and the management held a conference on Sunday, when a new wage schedule was agreed upon. The men have been receiving a minimum of 15 cents per hour and a maximum of 17½ cents. After June 1 the maximum will be 20 cents per hour and the minimum 17 cents. An employee will get an increase after six months' service. Formerly it was a year. All will be required to provide themselves with uniforms. This is as it always was. The men regard the new arrangement as satisfactory.

GOVERNMENT GIVES MORE PARK LAND

Mr. W. S. Brewster, M.L.A., has received a letter from the Deputy Minister of Education, stating that the Government will hand over to the Parks Board of the city 200 feet of land at the O.S.B. in addition to that already held for recreation purposes. The conditions are that no buildings are to be erected on the ground without the consent of the Minister of Education, and the Government holds the right to possession of the land should at any time it be disposed of for building purposes. That the gift will be appreciated by the street lovers in the North Ward goes without saying. The additional 200 feet will give 50 feet extra for tennis and bowling at the Dufferin Club and 150 extra for ball.

CHURCH TOWER NOW ASSURED

Pleasing Announcement is
Made By Rector of Grace
Church.

On Sunday at both services at Grace church the rector, the Venerable Archdeacon Mackenzie, said he took great pleasure in announcing that through the generosity of Major Kenneth Leonard of St. Catharines, a former Brantford boy, and a member of the church, a tower had been promised for the church. The plan which was approved by Mr. Leonard and the church committee, called for a tower in stone of oval form, a chime of peal of bells to be included in the plan.

Was Exciting Horse of Mr. Samuel Davidson Badly Fright- ened by Fire-Cracker.

Mrs. Samuel Davidson of 101½ Place, was driving home from work on Saturday night about 11 o'clock, some person near the corner of Osborne and Rawdon streets threw a large fire cracker out into the street and when it exploded, frightened the horse. The animal became unmanageable and bolted. John Davidson, who was returning from work, saw the runaway horse and caught the runaway horse and stopped it. Had it not been for the prompt action of the driver, the occupant of the carriage might have been thrown out and possibly hurt. The horse kicked at the conveyance in, and the children were kicked in the face. The driver of an automobile came along at the time. Mrs. Davidson and child were taken home and another gentleman drove the horse home.

Dean Brady Celebrates
Silver Jubilee To-Day
And His Parishioners Will Make Three Presentations To Him To-Night.

Rev. Dr. Brady is celebrating his silver jubilee in the priesthood. He was ordained on Sunday, May 27, 1887, at St. Basil's church. Rev. Father Cassidy, Paris, Father Padden of Paris, Rev. Father Cloherty of Paris, and Rev. Father Cloherty of Paris assisted. The school children sang at the service. The school children will make three presentations to him to-night. One from the Young Ladies' Guild, one from the Young Men's Club, and one from the Young Men's Club.

Catholics of the city and citizens generally will be cordially welcomed at the proceedings which take place at St. Basil's church at 7:30 this evening. The Very Reverend Dean Brady of St. Basil's is backed for a pleasant event this evening. Since his arrival in Brantford he has worked in various capacities in connection with the church, and in place of a dead looking plot on Pearl street, there are now three handsome structures—the Priests' residence, a new school and a handsome home for the Sisters. The Dean has not only been the main spirit in these changes but he has also given largely of his own means.

SAD FATALITY TO LITTLE BOY

Reggie Valentine Burned to
Death on Sunday at
His Home.

Reginald Valentine, the little son of Mr. and Mrs. W. C. Valentine, who reside on Cayuga street, was terribly burned about the upper portion of the body early Sunday afternoon, and was rushed to the hospital where he passed away shortly after nine o'clock in the evening. The little fellow was playing with matches in the front room of the house, and was unobserved by his mother. His father was at church. The curtains caught fire, also the little fellow's clothing. His screams attracted the attention of passersby, and Mr. Bert Waterous was one of the first to render first aid. The little fellow had run into the yard, and the mother, who did not know of her son's predicament, was engaged in beating out the blaze on the curtain. She was overcome with grief when she learned of the poor little fellow's fate. He was rushed to the hospital where everything possible was done to save his life, but the flesh from his arms was almost severed by the horrible burns he received.

Best Ever Erie Manufacturers Think Brantford Will Be Great Centre.

Mr. Emmerson, Publicity Commissioner in Erie, Pennsylvania, last week and showed three prominent manufacturers there a blue print map of the Lake Erie and Northern Railway with proposed freight line between Port Dover and that point. They remarked in effect that Brantford, under such circumstances, would have the finest manufacturing site in Ontario from their point of view. Pitching for his home team on Saturday, an amateur team from London easily defeated Dick Tasker, driving him from the mound with an avalanche of base hits. Tasker was with the Red Sox last year.

THE JAPANESE "PEACE" DELEGATION HAVE ARRIVED
TO STUDY CAUSES OF THE ANTI-JAPANESE BILL

THE JAPANESE "PEACE" DELEGATION HAVE ARRIVED TO STUDY CAUSES OF THE ANTI-JAPANESE BILL. The above is a picture of the first "peace" delegation en route to Sacramento to study the causes, "on the ground," of the California anti-Japanese sentiment. Reading from left to right, the personnel of the picture is the Honorable A. Hattori, Senator S. Ebura, Dr. K. Ibuka, president of the Tokio Presbyterian College, and K. Yamamoto, secretary of the Tokio Y. M. C. A.

HENRY LOVE CONFESSES BEFORE DEATH—HE WAS HANGED TO-DAY

He Declared That His Life For 24 Years Was a Wasted Effort—Doctor Injects Morphia Into Prisoner, Who Goes to Death With a Doped Expression on His Face—Details of Hanging.

[Canadian Press Despatch]
OWEN SOUND, Ont., May 27.—Standing on the scaffold at 7.40 this morning, in the jail yard at Owen Sound, Charles Henry Love, in a confession, gave to the world his last dying message, for at 7.52 the death trap was sprung, and pulsation stopped nine minutes after the drop. Love murdered his wife at Ceylon, or Flesherston Station, a small village, on December 9, 1912. The confession reads: "I want Mr. Maloney, my spiritual adviser, to tell the people that I would like them to take warning, and when the Spirit of God strives with them, that they should immediately receive it, and not put off salvation until the eleventh hour, and not act as I have acted for 24 years—a wasted time—serving the devil, which should have been spent in the service of God. For over twenty years the Spirit of God strove with me, but I refused to yield, and look at me now. Even at this late hour God has forgiven me, and I die in peace. But I leave the world with the awful thought that my life has been wasted. He has had mercy on my soul, and He is willing and able to save me even now. Read Isaiah 1 and 9, John 6 and 57, first John 1 and 9." At Love's request, the confession was read from the scaffold by the minister, who accompanied him to the place of execution. With head erect and his step firm, although he wore a doped expression, the murderer went to his death without anything interfering with the carrying out of the sentence. The body was cut down in 23 minutes and buried in the cemetery, because relatives did not want the quicklime process, and the county consented to pay. Love retired last night at 11.30, and was awakened at 4.30, when he was given a good breakfast of toast, eggs and coffee, of which he ate heartily, remarking to the watches that he felt pretty good. The feeling of mortal fear grew on Love on Good Friday, when he was sentenced. On the Sunday following it left him, and the guards believe that he was a changed man, and during the past two weeks he had spent much time in prayer. Immediately before he left his cell he on his knees thanked God for His mercy. A few minutes later Dr. Middleboro administered morphia. Albert Holmes of Ottawa acted as hangman. The last previous hanging in Owen Sound was that of Cook Teets twenty years ago.

Boy Scouts Had Great Time At Big Paris Demonstration

Headquarters Patrol of This City Made Great Record—Valuable Prizes Carried Off—Paris Was a Lively Place—Big Assemblage on Hand to Honor Scout Craft.

PARIS, May 27.—Singular honor was brought to Paris on Saturday, when the First Troop of Boy Scouts was presented with the silk flag flying by King George V. to the best troop of Canadian Boy Scouts. Of 30 members in the winning troop 29 are now recognized as "King's Scouts." Despite threatening storm clouds, which gathered from time to time over Agricultural Park, where the Scout tournament was held, some 500 lads in khaki and patrol colors went through many manoeuvres. Representative troops from all parts of Western Ontario took part in the celebrations. At noon several hundred were served dinner in the Palace Skating rink. Parisian mothers were generous in their donations, and so were the members of the Daughters of the Empire who meted out the rations. Shortly after 2 o'clock the parade about the town-commenced. Led by Chief of Police Felker and the band of the Dufferin Rifles, scouts 500 strong were given a rousing reception along the main streets. A Guard of Honor. Following the chief of police came a guard of honor from B Squadron of the Brant Dragoons in charge of Major W. Patterson. Then came in order: The Paris fire brigade led by Chief J. Caven, officers and staff of the 35th Regiment, officers and staff of the 25th Dragoons, Brantford Colliery Cadets, Colonel Spence with the army and navy veterans, the Paris band led by Bandmaster A. Kuhlert, Scout Commissioner C. B. Robinson and the scout council, Ingersoll troop in charge of Scoutmaster Houton, Berlin troop with Rec. J. J. Andrews and Scoutmaster R. S. Appley, the winning patrol Paris, followed by B and C troops under Scoutmaster Macfarlane of Brantford, First, Second and Third Hamilton troops with Commissioner C. W. Henning and Scoutmaster T. O. Purdon, Burford troop led by Scoutmaster George Pite and a representation from Drumbo. On the return of the scouts to the park a general salute was given to the inspection committee composed of Mayor Patterson, J. H. Fisher, M. P.; Commissioner Hammond, Toronto; Commissioner Gibson, Ingersoll; Capt. M. A. Colquhoun and Capt. G. A. Watt of the 28th Dufferin Rifles, Brantford. Each individual troop marched past and all received criticism of the officers. Signalling Patrol. Too much cannot be said in praise of the work and accomplishments of the Brantford headquarters signalling patrol. Messages were sent to various parts of the field with amazing accuracy and speed. Particular attention has been given to this study by the patrol and its members have become proficient. First aid work done by the sixth Brantford troop and an exhibition of bandaging by the Hamilton troops under the direction of Scoutmaster Maich was commendable. Each bandage received rigid medical inspection, and in all cases the work was highly satisfactory. On behalf of the Paris Chapter of the daughters of the Empire Rev. J. W. J. Andrews presented the King's Scout with a Union Jack. This flag will be used in future as the regular flag of the troop. Later Mayor Patterson presented the troop with the medals and shield of efficiency. Mayor Patterson welcomed the Parisians to the tournament. He extended the freedom of the town to the boy scout movement and of its value to the city. He thought that the movement was an old one, and said that he could remember when the boys at school said: "Isn't Fisher a good old scout?" J. H. Fisher, M.P., who was in the crowd, acknowledged the compliment. Late in the afternoon when all the tournament games and exhibitions were over the presentation ceremonies began. They were preceded by the trooping of the colors by the Ingersoll Boy Scouts. This troop has a pipe band, which did excellent work. (Continued on Page 4)

THE JAPANESE "PEACE" DELEGATION HAVE ARRIVED TO STUDY CAUSES OF THE ANTI-JAPANESE BILL

FIRST "PEACE" DELEGATES EN ROUTE TO SACRAMENTO TO STUDY CAUSES OF THE ANTI-JAPANESE SENTIMENT. LEFT TO RIGHT: MR. A. HATTORI, MR. S. EBURA, DR. K. IBUKA AND MR. K. YAMAMOTO

CEMENT VAULT WAS PREY TO ROBBERS

Robbers last week earned every cent of the \$20 in cold cash they secured from the vault of the William Stone Company, Limited, on Greenwich street, when they drilled and bored in a four-hour job, through what was considered an impregnable cement wall several feet in thickness. The discovery of a hole big enough to permit entrance by a small man was made in the morning by an office hand. The hole through the cement was just big enough to crawl through. It had been worked from the factory side, and must have involved all kinds of laborious effort. The sum of \$20 was removed from the cash box. Crowbars believed to have been used on the job were later found by the police near the river, but no clue as to the identity of the robbers has been secured.

ROBBERY REPORTED IN THE HOLMEDALE

Early morning robberies are apparently getting common in Brantford. Early Sunday morning someone took a liking to the brand of cigars and cigarettes kept by Mr. William Street, who conducts a barber shop in the Holmedale. They forced an entrance to the shop and carried off a considerable quantity of smokes. They then decided to further impress Mr. Street with the fact that they had been there, and laid hands on razors and other tonsorial paraphernalia. They secured a goodly plunder and departed. The police have no trace of the culprits. Robberies and holdups seem to be an epidemic just now.

HE REPRESENTS GUINNESS STOUT

Well Known Traveler From
Dublin, Ireland, Here
To-Day.

Mr. Arthur T. Shand, who is at the Kerby in the interests of Arthur Guinness, Son and Co., Limited, of Dublin, Ireland, the producers of Guinness Stout, states that the rapidly attained prominence and importance of the Dominion, has been deemed by the directors of the company worthy of special report and investigation. Last year Mr. Shand visited Canada in a casual way and confined his trip to the larger cities. What he saw and learned there, influenced the Guinness concern to send him here, on a special mission.

exhaustive investigation of Canada's resources, trade conditions and present and prospective prosperity. He called on Mr. C. H. Emerson, the publicity commissioner, for information regarding the city's growth. Mr. Shand has done a great deal of globe trotting for the Guinness concern. He has been twice to Australia, New Zealand and to South Africa, from the Cape to the Zambezi and over South America, Mexico, and the West Indian Islands and the United States many times. He gives some very interesting facts regarding the enormous volume of business done by the Guinness concern, which is by far the largest concern of its kind in the world, its output for the past fiscal year being over 93,234,300 gallons, the magnitude of which is made impressively emphatic by the fact that the statistics of Internal Reports of the Dominion for the same period show a total of only 47,518,847 gallons. The Guinness concern paid the government for the year ending June 30, 1912, for excise and license tax £1,252,289 9s 0d.

Ordained Rev. George Latimer, First Rector of New Trinity Parish.

Rev. George Latimer, for the past year curate of St. Jude's Church, and who will be the first incumbent of Trinity parish, was ordained into the priesthood at a very impressive service held at All Saints' Church, Windsor, on Sunday. Bishop Williams conducted the ordination, and six other candidates were included. Trinity Church will be separated from St. Luke's after Sunday next, and it is said that other arrangements will be made in regard to St. Luke's Mission.

Is There An Epidemic Of Crime In This City?

Young Girl Assaulted on Street Saturday Night— Found Unconscious and Money Gone.

The police are investigating a serious assault and robbery, in which a young lady clerk was the victim on Saturday night, and owing to the girl being unconscious when found, but scant trace of the culprit can be found. The affair happened on that lone street between Clarence and Charlotte streets, where the girl was found in a dazed condition. When removed to her home it was found that her purse with a small amount of cash, had been taken. The girl absolutely remembers nothing of what happened, she having only a hazy idea of being attacked by a man. Efforts of the police to secure a description were without avail, the girl being unable to remember what he looked like. The girl's father reported the matter to the police, and a request made that her name be not divulged. Detective Chapman was put to work on the case. With various robberies reported, the detective is in for a busy time the next few days, and it begins to look to the police authorities as if there was an outbreak of crime right within the city.

FIVE YEAR OLD SHOOTS COUSIN

A Fatal Accident at Whiteman's
Creek on Sunday
Morning.

While playing with a rifle the son of Mr. Losensky, a Russian, accidentally fatally shot his cousin, Bronie Swoza, aged three years, at the home of Mr. Losensky, near Whiteman's Creek on Sunday morning. Mrs. Valt and little Bronie were staying with Mr. Losensky. Mr. Losensky's son, aged between five and six years, secured an old rifle which was not believed to be loaded, and while playing the gun was discharged, the ball entering his cousin's body under the shoulder. The child was rushed to the office of Dr. Fissette, who decided an inquest unnecessary. The case is especially sad owing to the father not being in this country.

The funeral took place yesterday afternoon from 66 Wadsworth street, to St. Basil's church thence to St. Joseph's cemetery. Rev. Father Cloherty conducted the services.

Fine Service Dragoons Looked Fine at Parade on Sunday Last.

The 25th Brant Dragoons held their fourth annual church parade to Zion Presbyterian Church on Sunday afternoon where the Rev. G. A. Woodside, M. A. gave a very instructive and interesting discourse. There was a very large turnout of the members of the cavalry regiment under command of Lieut. Col. M. F. Muir. Dragoons assembled at the armories and marched to the church headed by their regimental band. The sermon, delivered by Rev. G. A. Woodside, was based on the subject, "The purpose and obligation of our standing army." The music was under the direction of Lieut. J. H. Pearce and was of a fitting character to the most enjoyable service participated in by the large assemblage.
