LYONS' TAILORING CO'S

14th Anniversary Sale

FOURTEEN years ago this business first saw the light of day. From one store occupying 840 square feet, it has grown into a great organization of Ten Busy Stores, with an aggregate floor area of over 29,000 square feet. The growth in volume of business has been no less remarkable, for a single day's sales now, is more than four times our entire original stock.

We have tried to serve you well, but you--our Customers--have helped us to this marvelous growth, and we ask you to help us celebrate our 14th birthday.

Contrary to custom we are going to give the gifts. We are giving the biggest share of our profits to make this Anniversary a memorable occasion in Canadian merchandising.

Our Entire Store Participates With Extraordinary Profit Sacrifices !
