## BAN JOHNSON TO AID RECRUITING

**If U. S. Enters War, American League Baseball Players Can Enlist Freely**

Chicago, Feb. 8.—Baseball players in the American League who desire to enlist for military service in the event of the United States becoming involved in war would be granted their immediate release, and their positions held open, President Johnson of the American League announced to-night.

"Not only would we release these players," Mr. Johnson added, "but we also would look into the welfare of their dependents. Contracts will not stand in the way of American League players who wish to fight in the defence of their country. We would encourage the spirit to enlist."

President Johnson said that the League would not suspend in the event of war. He called attention to the fact that the National League during the Spanish-American conflict continued its schedule.

"I approve of the suggestion made by Captain Huston of the New York club in regard to military training for ball players. Captain Huston would have certain hours set aside during the training season for military drill. It would set a good example for others in military preparedness."

A call was issued to-night for the schedule meeting of the league to be held in New York, February 15. The meeting of the National Baseball Commission will be held in New York, February 14. The Commission, Mr. Johnson said, will report on the partial abolition of the draft rule.

Rev. F. L. Orchard, B.D., of Woodstock, N.B., has accepted the call of Olive Baptist church, Montreal, and will enter on the pastorate March 1st. Colonel the Rev. Richard Henry Steacy, the director of the Canadian Chaplain Service, has been created a Companion of St. Michael and St. George (C.M.G.).
