No Agents! No Commissions

The system of employing Agents or canvassers at high commission has been strictly abandoned by me, it having proved very unsatisfactory to both ourselves and customers. In future we will sell

FISHERMEN & CROAN

At Net Wholesale Prices,

direct to purchasers. In this way buyers of Pianos and Organs will save from twenty to forty per cent in dealing directly with us, and moreover, get better satisfaction to be guaranteed.

We claim to sell the best instruments to be had, and at the lowest prices consistent with first class articles.

The cash system enables us to sell at a very small advance on cost of manufacture, although to houses and reliable parties we do not object to allow a reasonable time for payments.

Parties ordering by mail can safely rely on getting as fine an instrument as if personally selected by themselves. Any Piano or Organ not found exactly as represented can be returned to us at our expense. We refer with pleasure to over Fifteen Hundred Pianos and Organs sold by us the last ten years.

Thankful for the very liberal patronage accorded us hitherto, we can only say that we will continue our endeavors to thoroughly satisfy our customers in all their dealings with us.
