For headgear they sonal character of the man, as a matter of practical politics his success in conspicuous places in the division were a sort of cap of navy blue. The sonal character of the man, as a matter of practical politics his success and the other retained for revision. Pathans and Chinese were adorned at the polls would be a colossal blunder, from the effects of which the The date the lists should be posted with the Chinese medal, for they territory would be years in recovering. His most earnest supporters do is fixed on Monday, November 17. If helped to fight their way to Pekin strain their delight at the performnot contend that any substantial benefits would accrue to the territory any enumerator at any time after with the expedition force that rethrough Clarke's agency. He represents nothing but a desire to heap the posting up of the list and seven lieved the beleaguered legations vengeance upon a government which admittedly has been lax in fulfilling its obligations to the people of this district. But we maintain that name of any qualified voter has been there are considerations of far weightier importance to the community omitted he shall add such name to than the accomplishment of mere revenge. Clarke might be able to slan- the copy of the list in his possessi der, abuse and exhaust all the resources of his blackguardism upon the below his own signature. Sin representatives of the government, but having done that his stock in if the enumerator is satisfied there is trade would be gone and thereafter he would be nothing but the victim who is not qualified as a voter in

The time has arrived when the people of the Yukon must turn their erase such name. The list properly thoughts to the future. Greater things are in store for them than have certified to must be in the hands of Ottawa to represent the district in the councils of the federal legislative body will be able if he is the right man to play a most important part.

During the past year the government has given practical demonstration of a desire to encourage and aid in the development of the splendid resources of the territory, the extent and value of which is only now beginning to be understood. An elaborate system of highways has been con- plans for \$140,000 station for the structed, schools have been built, the public service has been greatly im- establishment of communication be saluting point was at the foot of that organized labor there will quickproved, the powers of the judiciary have been extended to meet growing tween England and America. The the flight of steps leading to the ly fall into line to assist in the fight necessities, a public stamp mill for the encouragement of quartz mining will shortly be established and other measures of a beneficial nature have been put in force, all tending toward the betterment of local conditions and the advancement of the general welfare. There still remain other assurance will be given that the good work will continue until the Yukon territory ranks abreast of the other commonwealths which form the con-

In giving its assistance to the candidacy of Mr. Ross, the Nugget feels, therefore, that it is standing true and faithful to the confidence reposed in it as a representative of public opinion, and that it redeems in every particular its oft-given assurance to support no man unworthy of the honor and dignity of the high office involved.

Mr. Ross is a western man-by instinct and training a man of the people and one who at any and all times may be relied upon to stand firmly for the interests of his constituents. In electing him, as they will undoubtedly do on the 2nd of December next, the electors of the territory will justify and establish in every particular their inherent right to self-
