AVONPORT BRICK WORKS

Enter Upon New and Promising Line of Production

The clay working establishment of L. E. Shaw Ltd., at Avonport, has been making a number of changes in their plant during the past year and taking on new features which promise to greatly enlarge and enhance its importance to the community. Due mention of these will be made in a future issue when THE ACADIAN hopes to be in a position to make a visit to the works.

For the present our purpose is to refer to an important arrangement which the management has recently made with the Interlocking Tile Co., of Toronto, by which they are to undertake the manufacture of their product for the Maritime Provinces. The interlocking tile, which has been made for many years in the United States by the Dennison Co., has recently been introduced into Canada and factories for its production have already been established in the Upper and Western Provinces.

As a building material the interlocking tile has been found far superior to the old brick, is more easily laid and furnishes a far superior wall. Last winter it was brought to the attention of Mr. Shaw and he at once entered into negotiations which have just been completed by which the Avonport plant will control the supply of these tiles for the Maritime Provinces, paying a royalty to the owners. It is the purpose of L. E. Shaw Ltd. to begin the manufacture of the interlocking tile as soon as the necessary dies can be secured, and next season they will expect to do a large business and employ an additional number of men.

The interlocking tile is a large hollow brick about seven times the size of an ordinary brick, and with it walls eight, twelve or sixteen inches in thickness may be constructed. These walls have the advantage of an air space and a broken mortar line which makes them less liable to frost or fire, and more desirable in every way. If desired they may be veneered with any brick and may be plastered on the inside without any other preparation.

THE ACADIAN congratulates L. E. Shaw Ltd. on their enterprise and wishes them abundant success in their new undertaking.

CANARD NOTES

Mr. and Mrs. J. E. MacGowan and their sons, Earle and Donald, of Lower Canard, left home on Saturday last and motored to Chester and other points on the South Shore, arriving home on Monday evening by the way of Windsor. After so much rain, they found the roads in bad condition for motoring.

On Wednesday evening of last week Mrs. Fred Eaton gave a "Corn Boil" in honor of Miss Evelyn Eaton, who leaves for India on Friday, September 15th. She was presented with a handsome gold wrist watch from the young people of the street. And on Friday evening a Missionary Concert was given in the Upper Canard Baptist church. A very pleasing program was rendered, then Miss Eaton was presented with a check of one hundred dollars, from the church. Also a ring from the Missionary Aid Society. Miss Eaton will be greatly missed in Canard but we all wish her joy and happiness in her noble work.

Miss Margaret Burbidge, of Lower Canard, left on Monday for Mount Allison Ladies College.

The Lower Canard school has opened for the year. The teachers are Mrs. O'Brien, of North's Corner, Canning; and Miss Wood, of Woodville.

Mr. L. Eaton and son, Eben, left for their home in Milton, Mass., on Tuesday, September 12th.

Miss Leah Borden, of Lower Canard, left for Mount Allison on Saturday, Sept. 9th. Miss Borden plans on teaching there another year.

BOSTON SYMPHONY ENSEMBLE

This famous organization scored a distinct success in St. John, where the papers are loudly enthusiastic in their praise. The program as arranged for our concert will include several of the popular classics which are familiar to us through the medium of the victrolas. Thus we will hear such numbers as the Liszt "Hungarian Rhapsody", the marvellous musical expression of the Gypsies; the religious "Ave Maria" by Gounod, so touching in its appeal; a selection from the famous opera "Carmen". For the Symphonic masterpiece the orchestra will perform the "Surprise Symphony" by the master, Haydn. It is said that Haydn was asked to compose this symphony for English royalty; being afraid that they might doze off during the slow part of his masterpiece he wrote a crashing chord which comes as a complete "surprise" to the listener. The "Angelic Dream" by Rubenstein is another number which is so popular and which the orchestra will render in its inimitable manner.

SAYS CANADA IS BEST

Lord Shaw of Dumfries, who, after extensive travels in the United States and Canada, says: "In the United States the middle west seems to have been given over to the genius of desolation; in Canada it seems to have been given over to the genius of fruitfulness."

WOLFVILLE HARBOR IMPROVEMENTS

Work of Dredging to be Begun at Once

The welcome news has been received that the work of improving Wolfville's harbor is to be begun at once and completed as soon as possible. Mr. William MacKinlay, of Mount Denson, who has been awarded the contract, has associated with him Mr. W. C. B. Harris, of this place, and it is reported that the sum of \$12,000 is to be expended. Some of the equipment necessary for the undertaking is already on the ground and if good weather conditions prevail the work, it is said, will be completed before the winter.

This is a project which the THE ACADIAN has advocated in season and out and we are glad to be able to announce that it now bids fair to receive the attention which it deserves. If the work is properly done the amount to be expended should make a very great improvement in our shipping facilities and be of immense advantage to the port and surrounding districts. THE ACADIAN will keep its readers posted as the work proceeds.

DEATH OF MISS ROWENA CHIPMAN

The funeral of the late Miss Rowena Chipman, formerly of Greenwich, took place at Wolfville on Monday last. Miss Chipman had been a resident of the Old Ladies' Home, Halifax, for some years and passed away after a prolonged illness on the night of the 15th September, aged 82 years.

Miss Chipman was a lady of retiring disposition and much beloved by all who knew her. She was a sister of the late Mr. X. Z. Chipman, former treasurer of Acadia College. Her only surviving relatives live at a great distance from Wolfville, including three nieces, Mrs. W. V. Higgins, India; Mrs. Edgar Higgins and Miss Minnie Chipman, of Honolulu. Appropriate services were held in Halifax and the interment took place upon the arrival of the morning train at Wolfville. The pall-bearers were Rev. J. H. Bars, Messrs. Edson Graham, Harding Bishop, F. W. Barteaux, Rev. Dr. MacDonald conducted the service.

A UNION PRAYER MEETING

The Presbyterian-Methodist union prayer meetings, which were held during the first month of the summer arrangement in the Presbyterian church, will be held for the remainder of the term in the school room of the Methodist church. The meeting on Wednesday evening was presided over by a long-ago leading worker in the church, Mr. J. W. Caldwell, of Ottawa, who left Wolfville twenty-three years ago. Mr. Caldwell took as his subject "First things", and gave a helpful address based on selections of scripture which he read. The meeting was an interesting and profitable one, in the course of which a number of speakers expressed their satisfaction in seeing the leader back in his old place, and made fitting reference to the support which he always gave in the old days of his residence here to community, church and social matters which were really worth while. Mr. Caldwell testified to his pleasure in again being back in the old home town where he had spent so many pleasant years, and in the society of so many with whom he had formerly associated in the Master's work. In the intervening years as well as during all his life since he came to Wolfville as a youth he feelingly testified to God's leading and kindly care.

Mrs. (Dr) Primrose has rented her bungalow on Highland avenue to Miss Harry, V.O.N. who with her mother will occupy it during the winter.

SCHOOL BOARD MEETING

Grades 6 and 7 to be Put in Separate Rooms and New Teacher Engaged

All the members of the School Board were present at the regular monthly meeting which was held on Monday evening of this week because of the falling of the appointed time on Labor day.

The chairman reported that a supply of "dustbane" for use in the various departments had been obtained.

Principal Silver was present and reported briefly on the attendance of pupils in the different departments. At the High School at present there are 72 on the register. In Grades 6 and 7 an overcrowded condition was reported and it was decided that in view of this that these two grades be divided and that a new teacher be engaged for Grade 6. In order to provide accommodation for this addition it was decided to fit up the middle room on the second floor of the old building. This is to be provided with tables and chairs and will be occupied by Miss Power with Grade 7. The chairman with the secretary and Principal Silver were appointed a committee to make the necessary arrangements and secure the services of a competent teacher.

Some discussion took place regarding the attendance of children under the age of five years and it was resolved that the Board accept no children for the public school under five years of age.

The following bills were read and ordered paid:

Governors of Acadia University, \$76.08
J. E. Hales & Co., Limited, 1.68
A communication from the V.O.N. was read and Com. Eaton and Mayor Sutherland were appointed a committee to look into the matter and report.

It was reported that an offer of \$8.00 had been received for one of the stoves in the old building no longer required and it was decided that the offer be accepted.

A CRYING NEED

In our town is an ambulance. We boast of our Hospital, and rightly so, but should we not (without boasting) possess a conveyance, whereby our suffering citizens could be carried to and from their homes, and the trains, without being exposed to the elements and the curious eyes of the public. Surely if there is any one in our life when privacy is desired, it is when one is suffering. A victim of a recent painful accident said, "The worst part of the whole thing was being driven through the public street without adequate covering". It is a painful and pathetic sight to see a suffering person carried in an open conveyance through the street, with their faces exposed to the gaze of the public. It is neither humane nor Christian, that it should be so. When so much is being done for the benefit and comfort of the needy in our town, let us not forget those who suffer in this way, when with a little extra effort they could be made so much more comfortable.

And also may the day soon come when our railway trains will have suitable compartments for the suffering in body and in mind. That one may not have to be shoved into a baggage car like so much merchandise, and that the sick in mind may not have to travel exposed to the public. In many cases to the distress of those who are forced to endure it, and to the discomfort of those who are caring for the sick.

Rev. G. W. Miller addressed the Acadia Academy Bible class on Sunday morning, Sept. 10th, and Rev. Dr. A. T. Kempton, of Cambridge, Mass., gave an address to the Academy Y.M.C.A. on Sept. 13th. Both were much appreciated.

WOLFVILLE DEFEATS KENTVILLE

In Valley League Tennis Match—Score 5 to 3.

Wolfville and Kentville played their second match in the Valley Tennis League at Kentville on Wednesday of last week. As in their previous match Wolfville were the winners, taking five of the eight events.

The most interesting event of the afternoon was the men's singles. Both players gave an excellent exhibition of first class tennis and their volleying, driving and placing was of a very high order. This match went to three sets and although Neary was at one time losing 4-1 in the third set, by superior play and tenacity, he literally pulled the game out of the fire and won.

Mention should also be made of the mixed doubles between Miss Chute and Mr. Chute and Mrs. Walker and Mr. Neary.

Ladies' Singles

Mrs. Walker, Kentville, defeated Miss Holmes, Wolfville, 6-1, 7-5.

Gent's Singles

Gordon Neary, Kentville, defeated M. Beardsley, Wolfville, 8-6, 4-6, 7-5.

Ladies' Doubles

Mrs. Hill and Miss Sallie Wickwire, Kentville, defeated Miss Chute and Miss Keirstead, Wolfville 3-6, 6-0, 6-2.

Gent's Doubles

Dr. Leslie Eaton and Prof. Balcom Wolfville, defeated Mr. Thompson and Mr. Eastman, Kentville, 7-5, 6-1.

Mixed Doubles

Miss Chute and Mr. Chute, Wolfville, defeated Mrs. Walker and Gordon Neary, Kentville, 6-0, 6-4.

Dr. Leslie Eaton and Miss Keirstead, Wolfville, defeated Mrs. Hill and Mr. Thompson, Kentville, 6-3, 6-3.

Dr. E. Eaton and Miss Holmes, Wolfville, defeated Miss Sallie Wickwire, and O. Leitch, Kentville, 6-0, 6-4.

J. Scriven and Miss Coit, Wolfville, defeated Miss B. Wickwire and Mr. Eastman, Kentville, 6-2, 7-5.

VALLEY TENNIS LEAGUE

The final match in the Valley Tennis League was played at Kentville last Saturday when Windsor defeated Kentville by the score of eight events to three. Wolfville and Windsor are tied for first place in the league and the standing of the teams follows:

Team	Won	Lost
Wolfville	3	1
Windsor	3	1
Kentville	0	4

GASPEREAU ITEMS

Mrs. Philip Payzant, of Falmouth, spent the week-end with Mrs. Peter Gertrude.

Mr. and Mrs. Emery Coldwell, with and Mrs. D. A. Westcott, motored to Hantsport on Sunday last and spent the day with Mr. and Mrs. William Cruikshank.

Mr. Parry Davison, of Wakefield, Mass. is visiting his aunt, Mrs. J. D. Martin.

The Women's Institute meets with Mrs. Margaret Davison at Kentville on Thursday afternoon, Sept. 21.

Miss Vera Duncanson and Mr. Earl Sawyer spent Sunday with Mr. and Mrs. Cecil Holt, Canard.

Many friends will be pleased to learn Mr. Bruce Coldwell was successful in the Provincial Examinations obtaining his "C" certificate. Also Miss Marion Coldwell and Mr. Llewellyn Schofield their "D" certificate.

YOU ARE INVITED TO ATTEND THE MILLINERY OPENING AT MISS SAXTONS ON THURSDAY, SEPTEMBER, TWENTY-FIRST, AND FOLLOWING DAYS.

NOW A PUBLICITY AGENT

Walter S. Thompson, who has been with the Grand Trunk Railway for sometime, has been appointed Publicity Agent of that Railway. He is widely known not only throughout Canada, but in Great Britain, Australia and New Zealand, in all of which countries he had wide experience as a newspaper man.

ACADIA COLLEGIATE & BUSINESS ACADEMY

The formal opening of Acadia Collegiate & Business Academy took place in the Chapel Room in Rhodes Hall on Friday morning, Sept. 8th. The attendance was the largest in recent years for the opening day of the term. Among the visitors present who made addresses were: Rev. Col. J. H. MacDonald, D.D., C.B.E., Capt. A. H. Chute, Bermuda; Rev. A. J. Prosser, Canard; Rev. E. S. Mason, M.A.; Dr. W. H. Thompson, of Acadia University. The addresses given by these gentlemen were admirably suited to the occasion.

The Academy Residence accommodates the staff of teachers and approximately 80 students. This building is fully occupied and a large number of day pupils have also been registered. A Lower School department has been opened for younger boys. Provision has been made for the accommodation of additional students in an adjoining building.

This Academy was known as Horton Collegiate Academy from 1829 to 1910. In that year the name was changed to Acadia Collegiate & Business Academy. Students are prepared for all colleges and Professional Schools, and are given thorough training in Business. The Academy is patronized by students of all denominations throughout the Maritime Provinces. This year a number of students are also enrolled from the United States and Newfoundland. This is the ninety-fourth year of this institution. The present Principal, Dr. W. L. Archibald, succeeded Mr. E. W. Robinson (now M. P. for Kings County) in 1910.

ACADIA LADIES' SEMINARY

Acadia Seminary opened on Friday last with an enrollment of 100 resident pupils and more are expected before the end of the month. There is also a large number of day pupils who find the courses in Art, Music and Expression increasingly popular.

Some changes are noticed in the personnel of the teaching staff. Mr. Carl Farnsworth assumes the charge of the Conservatory. With him are associated the following teachers: Miss Lillian E. Wood, Piano; Miss Nathalie Gifford, Voice; Miss Ruth L. White, Violin. Mr. W. A. Jones, who has spent the summer in Wales and England, studying new methods for application to the work of his department has returned to resume his work in the Voice Department. Miss Evelyn Cogswell and Miss Pearl Griffith have charge of the Department of Expression and Physical Education.

Mr. Lewis E. Smith, assisted by Miss Annie Ricker, are again at work in the Art Department. Miss Eugenie Gascard who has been granted six months leave of absence, is spending her well earned vacation in England, France and Switzerland. In her absence Miss Helen Starr is taking her place.

CLINIC ITEMS

Dental Clinic Friday, Sept. 22nd, at Kentville Academy. We are all very careful that the food our children eat is clean; it must be washed after being handled by the peddler or merchant; we carefully wash our dishes after each meal, so that there will be no particles of food left on them which, taken into the stomach, might make the child sick; and then that child at table puts that clean food from a clean plate into a mouth so vile and filthy from diseased teeth that not one particle of food reaches the stomach uncontaminated.

It is not time that the fathers and mothers of our school children adopted the slogan, "Care for the Baby Teeth First"—Dr. Paul Baker of the Dental School Dental Clinic.

I. O. D. E. FETE

Was Largely Attended and a Great Success

The Grand Fete under the auspices of the Sir Robert Borden Chapter, I. O. D. E., which was held at Evangeline Rink yesterday afternoon and evening, was a huge success and reflected the greatest credit upon the ladies who assisted in the arrangements. It is safe to say that the old rink never presented such an attractive appearance and great credit is due the committee which under the leadership of Mrs. A. M. Wheaton had charge of the decorations generally, as well as to the ladies who had charge of the individual booths. All these latter gave such evidence of originality and artistic skill and were so attractive in appearance as to defy adequate description. Flags and bunting, green foliage, beautiful plants and cut flowers abounded everywhere and the whole scene presented a view of fairy land that would be very difficult to excel.

Special mention might be made of the ice cream and candy booths, which occupied a central place in the building. Other beautiful booths had tempting displays of fancy work, aprons, cut flowers and potted plants, home cooking, canned goods samples and novelties, soft drinks, etc., and the "white elephant" with its variety of articles of every description.

Those who wished might have their fortunes told, or their portraits painted, or try their skill at the shooting gallery, while wonderful sideshows abounded and were generously patronized. For the children there was the fish pond, the human pin cushions, and the pony ride, each of which proved a source of delight to the young folk.

The Fete was well patronized especially in the evening when a fine program of music was furnished by the Kentville band and greatly enjoyed. The brilliantly lighted and handsomely decorated building presented a gay scene and everybody was pleased.

Next week THE ACADIAN will give other details impossible for us to secure with the limited space and time at our disposal.

PORT WILLIAMS

A most interesting meeting was held in the Christian church on Friday week when Mrs. Romig, of Winnipeg, the Past Secretary of the Women's Missionary Board, spoke on their extensive fields of work, illustrating by very fine Stereopticon Views her lecture. Their work embraces many hospitals and schools of which the views were exceptionally good. At the close Mrs. Freeman, of Halifax, spoke a few words of appreciation which voiced the sentiment of the whole audience.

Mrs. (Capt) Faulkner has had as her guests her sister, Mrs. Iverson, of Brooklyn, N. Y., and her friend Miss Hamilton, of Halifax.

Mr. Weston Weaver and son, of Bristol, R. I. have been visiting his brother Mr. Fred Weaver.

Mrs. M. K. McKinnon is slowly recovering from the effect of the auto accident on Labor Day, when the car plunged in the ditch on the Dyke Road turning over. It was a wonderful escape for both Mr. McKinnon and wife.

The same day Mr. and Mrs. Cameron Murphy, with a friend who was visiting them, were thrown from their carriage, by the horse becoming frightened on the Iron Bridge and narrowly escaped serious injury.

Mrs. Messenger arrived from Vancouver last week to spend the winter with her friend, Mrs. M. K. Ellis.

Miss Gladys Newcombe is teaching in Wolfville. She has also taken the position of organist at the Baptist church for the winter. Prof. Jones, of the Seminary staff, will be the new chorister.

Lucy Cogswell has entered Acadia Seminary, in the Junior year of Musical Course.

Mary Vaughan has entered Mount Allison Ladies Seminary for a course in Domestic Science.

Edith Hanson, Dorothy McKinnon, and Mason Cogswell are attending the Wolfville High School.

Miss Jean Murphy is spending her vacation with her parents here.

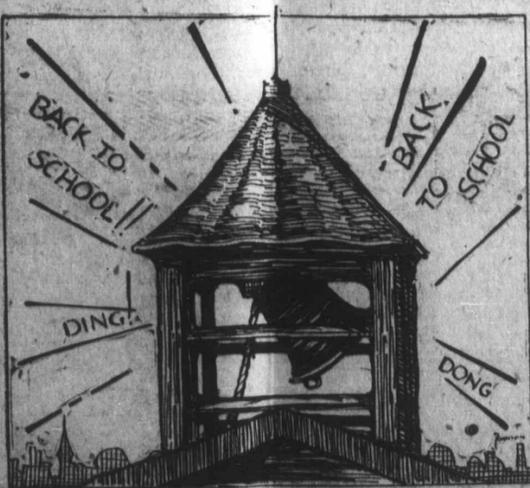

Misses Laura Hanson and Irene Gates returned Saturday after a delightful trip to Toronto where they took in the National Exhibition.

Mr. Lawrence Eaton and bride, of Brockton, Mass., spent Sunday the guests of his cousin, Mrs. G. H. Gates.

Messrs. Harold Chipman and Roy Faulkner have entered Acadia Academy for their Senior year.

Curtis Newcombe has entered the Kentville Academy to take his grade XII.

Mrs. Edward Hart, of Berwick, was burned so badly on Saturday morning as the result of an explosion in lighting the kitchen fire that she died early Saturday evening. Using kerosene was the cause of explosion.

A SAD REFRAIN FOR THE YOUNGSTERS
