VOL. II. Morning MONTREAL, TUESDA When we, the other de

that His Majesty's answ Address of last Session, Trudel, Vigerenough, as it left matters precisely as it found them, we did not at the time imagine ham, Dubord, F that the Assembly, in pursuance of its form- Stuart, Tache,

er reckless policy, would sanction such a We have had document as we yesterday published, which must necessarily force the Government into some decleve measures, and at the same time firmish ample justification for introducing any checks upon the overgrown preten-sions of that branch of the Provincial Legisla-laure. The HomeGovernment can now plead acure. The nomecovariant can now plead compulsion as well as justice to an oppress. ed portion of the inhabitants, for a most de-and if additio than a detail of cided interference in our affairs Consilia.

tion, after this, to an inau not be thought of. It has forbearance that the Gov placed on the high vantage cupies, but longer forbear contempt for its authority. and that too with vigour the people must act for the No freeman in the pro

sume, longer submit to be the sume, longer submit to be the vertice of his rights, to be conduct of be tyranised over by victous laws, and to see that of his abette the public revenues lying uselessly unemployed in the public coffers, or squandered upon lowed to transc worthless objects. Are the leaders of the a memorandum t majority of the House of Assembly men, ted to Sir Huss notoriously wanting in political honesty, nar-matter in a prorow-minded selfish and blinded by national prejudices, is their influence over the unso-fastened on me phisticated habitans absolute, and would an life in proof of r to trial, I gratui of my character, preme control in the Legislature ! Does ed to the Court, their hatred of Land Companies and their the record of which he had hi covert opposition to immigra

their dread of an increase Are they not wedded by i to detestable feudal rights, ducing the country to hope not their desire for politics mous with them for per ment ? If but one answe affirmative, can be given and that no other can be pable of the clearest demons

ask the man who is not a slave of the faction, from the who has intellect enough to comprehend the cation has been degree of vassalage to which the supremacy of that faction would reduce him, and who has a soul that could feel and resent such degradation-him we would call upon, to take, this moment, a determined stand in defence of publish what a his rights, and if necessary, to be ready to which our artic reprinted, or, t

his rights, and it necessary, to be ready to eacrifice his all in so glorious a cause. We will yield to none in liberality of prin-ciples; equal rights is the birth-right of all artifice, by whi himself for con -this we have advocated, and shall still con-tend for; but in proportion to our zealous difficult to acce support of it, is our abhorres fringement of the doctrine

"Owing to t sette. I have Morning Courier We scarcely the modesty of
