PREACHING

Under the nice taste of the present day, some of the ancient preachers

would stand condemned. When the Women have more than their share modern preacher would be levoting of the aches and pains that afflict hu-manity. They must "keep up," in scoring the anti-social aspect of sin. Street, Fort William, Ont., says: needy for silver and the poor for the price of a pair of sandals. They were extreme in their ney trouble." denunciation of those who turn

aside the stranger in his sight, oppress the hireling in his wages, with hold the pledge, take a bribe, and judge not the fatherless. They scourge the traffickers in the temple, and declare that the melody of viols will not profit nor will burnt offerings be acceptable until judgment run

down as waters, and righteousness as an overflowing stream. These prophets would not meet the conventional tests we apply today. We lay a little finger where they would apply a fist with the mighty dynamic of arm and hody behind it The different for the different sources and the source of the different sources and the source of the different sources and the source of the s

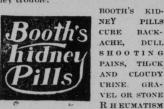

arm and body behind it. The difference is that between the feminine and UNION HOTEL BARN BURNT masculine conscience. Many preachers masculine conscience. Many preachers today interpret Christianity as a putting off of the old man and putting on the cld woman. There was a virility and lack of taste about the old prophets that is quite shocking.—Ex. About 12.20 Thursday night, just as the Maritime 'ad brought back the excursionists from Moneton, and while the Fremen the light fantastic in the Town Hall, fire was discovered in the barn of the Union Hotel, and soon the transformed to the barn in the rear of tway was required a very hand-

the whole country, While admittedly there are waste lands given over to game and unfitted for profitable use of the highest agricultural quality and could easily be a support to a large resident population. Meantime the small farmers and the farm laborers have been and are being

driven away, either across the seas or to the slums of the big cities. Any remedies yet provided in England and Scotland do not grapple really with the problem. As compared with France and its 5,500,000 proprietors, having an average of fifteen acres each. Britain lags far behind in this respect and must do something to restore the land to the people."

GOVERNMENT NOTICE

CROWN LAND OFFICE, June 21, A. D. 1911.

21, A. D: 1911. Whereas, by an order of the Executive Council passed on the lat day of June, A. D. 1911, Section 28 of the present Timber Regulations, which provided for the cutting of undersized lumber on barren land and in thicket

growth, was rescinded. Lie of Crown Lands are, therefore hereby notified that such Section hasbeen resci. ded, and in the future no permits will be issued to cut under-sized lumber on the lands and in the growth above mention
