Tam. — Siam is one of the few instries which beast of a corps of men police. The members of this mazon Guard are all old and ugly be expected that the manager of the inner, of the members of the inner, of the members. Palace at Bangkok.

They fo low any stranger who can see the palace, and remain with him til he takes his departure. They that there is no mischief made at that no one makes love to the yel wives and concubines. Men who we business inside the palace—ectors, architects, carpenters, elected just fitters, etc. enter the palace ecty, but are always accompanied y some of the Amazon Guard. The alace has some difficulty in requiring less guards, as the work is hard and he pay poor, and the qualification—incomplimentary.

If old age pensions were granted in this country few women would be likely to apply for them.

## HAS CAPI. LOUIT REACHED POLE

If Schedule Planned by Scott Wa Carried Cut the South Pole Was Reached Last Week in Old Year.

(Publishers Press News Service) (Publisher Press Name Service)
London. — Did either Capt. Sector Capt. Amundson reach the South
Pole on Minas day in the principal
topic in London at the present months.

opie in London at the present mment.

That is the ambition of Capt. ?

Sectt, of the British news. Fines had experience in Antarctic exploring before, having headed the Discovery expedition in 1902. Red stanted from London in June, 1901 lying by at New Zeeland until New 1, 1910, when the beginning of spring own there give him a chance in run his vessel, the Terra love

CAPT. E. F. SCOTT

straight couth through Ross sea int McMurdo sound, near which he c. tablished his winter quarters has

Mediardo sound, near which he entablished his winter quarters he diay.

All summer — winter, down ther — Scott's party awaited the commod November — of summer — whe the journey over fee and snow was begun; through the most fearfustorms that rage anywhere on eartithe explorers went. If they followe the schedule planned by Capt. Sortible with four picked men, left the verty at the beginning of December for the last mad dash for the pople hoping to reach it Dec. 25, which corresponds to the northern June 25, when the sun lasts the longest and it is the warmest.

With time he ascended the huge Peardmore glacier, going up 10,00 feed above see level, where crevices thousands of feet deep yawned for the ithrepid explorers. With degisleds and mater sledges the five crept along, ten miles a day, at best.

Scott's last word when he sold "goodbe" to the world at Port Lyttleton, New Zepiand, was: "I'll cai

Christmas Ginner in 1911 at the pole!"
The dinner will be esten on the several thousand feet of ice that lies over the pole. The dinner might well be imagined from Sir Ernest Shrekleton's description of his Christmas dinner 111 miles from the pole two years "We sat around the cooker,"

"We sat around the cooker," he wrote, "waiting for our food, a thin heash — a stew of everything available except leather; when it was added out we turned our backs on the other was resulted and cook man ricked his pan. That we did for in some of the pans there was resulted in the cheer, and everybody wanted the most. Then a little weak tea on a bisout finished the meal. How withheld at the biscuit to make it lastinger! When one fromed a crumlinger was a screenible for it." CAPT. BOALD AMUNDSEN

there was a second of the first CAPT. ROALD AMUNDSEN

They mey have comeany at the Christian diener. Capt. Roald Amund sen. Arctic bero, is leading a brawing of Norwegians into the Antarcic. Lost May, Amundsen sailed into Whales bay on the Fram. Dr. Nancon's vessed, and steried this fall country is to the southern extremited the alobe. An Austrian expedition der Capt. Pouglas Mawson, is also in the Antarctic, but its chances of cotting to the pole are slimmer that the pole today, be won't have arritme to waste, for the deedly winter the Antarctic will begin in a monifor so, and then no living he'ms coulet out, and could not live until recular party could arrive.

After observations have been most the party will have to fall back interior sleds and drive like fury to ge back to their base of supplies, wher they will stay until next suturn when the trap to civilization will comence.

Then we'll know if there's a Britis or Noiwegian flag fluttering on the bottom of this sphere.

AUTOCRATIC DEMOCRACY
Instralian Labor Party Takes a High Stand.

Melbourne, Australia. — The Labor conference here will propose empowering the parliamentary Labor partwith the rigit to recall members of Parliament who have been unfaithful to their pledges.

Laborites are also anxious to secure a statute to automatically unsept any member who accepts an Imperial Life.
