He Loaded with Ginger. Grand Manan people are laughing over an ncident that occurred on the island on All Fools Day. A well-known trader, who has the misfortune to be blind, got up very early porter, figuratively speaking, got up on its on that day, intending to fool the boys by firing off a gun. He went to his store, and reached up to where his powder cans were, and took down a can. He loaded up his gun with a big charge, put on a cap and pulled the trigger. But there was no report. He gave the gun a shaking up and put in another fingerful from the can. Once more he snapped the cap, but the gun would not discharge. By this time the neighbors had begun to move around, and some of them. seeing the jocular citizen with the gun, went down to find out what he was doing. He could not make out why the "blamed thing" would not go off, but when he was told that instead of powder he had been filling the gun with ground ginger, he felt like kicking himself. The joke was such a good one that it soon spread around, and everybody, in-

## LAUNCHED.

—The Charges Against Mr. Blair Investigated — A Summary of the Testimony.

THE RESULT WILL BE A TRIUM-PHANT VINDICATION OF THE ATTORNEY GENERAL.

Shortly before the six o'clock adjournment on Tuesday Dr. Atkinson in his position in the Assembly gave notice of the following

ber of this house, having stated in his place that he is credibly informed and believes that he can establish, by satisfactory evidence, that in anticipation of the general pro-F. Campbell vincial elections held in January last, an agreement or arrangement was entered into by the Hon. Andrew G. Blair, attorney general and leader of the government, and one James D. Leary and other persons interested in the making by, and procuring from, the government to said J. D. Leary a contract for the construction of docks and harbor improvements in the city of St. John wherehy the said J. D. Leary, by himself and his agents or such other persons, agreed to furnish a large sum of money to assist and aid the said Andrew G. Blair and his colleagues in securing their elections and the election of some of his supporters, in consideration that the provincial government would enter into and deliver to the said J. D. Leary, or in his name, a contract for the construction of certain dock and harbor improvements in the said city of St. John; that the said Hon. Andrew G. Blair, under the said arrangement, did by himself and his agents, receive from the said J. D. Leary and his agents a large sum of money, to wit, several thousands of dollars, to aid him and his supporters in the election at the said general election on the understanding that the said J. D. Leary should receive the contract for said docks and works, and the contract between the government and the said J. D. Leary for said dock and works, dated the 17th day of January last, was delivered to said J. D. Leary's agent or some one or other person aforesaid alleged as interested in said contract, upon such payment being made and in consideration thereof and in connexion therewith. Therefore

Leary and his agents, horn with this inscription upon it: "Before records and to examine withnesses under oath, agreeable to the provisions of the met Mr. Barry there. I saw him about five minutes on a spring being pressed. Thus if

The attorney general at once rose, denied the charge, and said that for his part he waived all notice and would ask the house to allow the motion to be put at once instead of having it stand over until Friday, when its way. It was a pure bred Wyandotte hen's it could only have been reached according to the rules of the house. A short discussion arose and in the course of it the speaker asked Dr. Atkinson what the words "his coleagues" in the resolution meant. The doctor hesitated a little and finally said that it meant Mr. Blair's colleagues in the county of York. The house then took recess. On re-assembling the attorney general asked the opposition to accept in lieu of Dr. Atkinson's resolution the following:

> at the end of the recital of the charge and insert the following -"And whereas, The said Andrew G. Blair is desirous that the said committee be appointed without delay, and the inquiry into the said charge proceeded with immediately;

"Strike out all after the word therewith

therefore "Resolved. That a committee consisting of five members of this house be appointed to inquire into the said charges against the said Andrew G. Blair and into all the facts and circumstances connected with the matter of the said charge, with power to send for persons, papers and records and to examine witnesses under oath, agreeably to the provisions of the statute and act of assembly in such case made and provided, and all other powers thereunto enabling and with instructions to report in full the evidence taken before the committee and their opinion thereupon and all the proceedings of said com-

A very exciting debate ensued in the course of which Mr. Blair made a most telling speech, protesting against the lack of fair play in the treatment which the opposition were extending to him and asserting his readiness to meet any case which they could make out. The opposition declined to accept the suggested amendment whereupon Dr. Atkinson moved his resolution seconded by Mr. Turner. The solicitor general there upon moved amendment the resolution of fered by Mr. Blair. There was a round of speeches. The opposition members professed to see in the amendment an attempt to prevent an inquiry, Messrs. Hanington. Stockton, Phinney and Atkinson speaking to the subject with great vehemence. They were replied to by the solicitor general, the provincial secretary and the attorney general. The burden of the complaint made by the opposition against the proposed amendment was that it restricted the enquiry to a charge against Mr. Blair and excluded a genclusive reply was made that the only charge

eral enquiry into the conduct of other members of the government; to which the conmade was one against Mr. Blair, and it was neither fair nor according to parliamentary practice to try charges against members without formally preferring them. "Formulate your charges," said Mr. Blair, "and take your mmittee, but I decline to be put upon my same time upon other matters." On a vote being taken the amendment was carried by a large majority. The speaker then stated named the committee as follows: Hon. Mr. Mitchell, Messrs. Wilson, Phinney, Hetherington and Atkinson. The com-Mr. Wilson was named chairman, Mr.
