The large water tank at St. Joseph's Hospital, Glace Bay, collapsed the other evening and nearly demolished one wing of the institution. The girders at the top became weakened and caused it to collapse. Had the girders weakened at the bottom the tank would have gone through the roof and many deaths would have resulted. The tank's capacity was thirty thousand gallons, and was erected in 1919. An employee examined the tank five minutes before it collapsed.

The Duke of Connaught received the news of the death of his daughter, the Crown Princess of Sweden, when he returned to London Friday night, 2nd inst., from Bagshot for a small family birthday party, which was promptly cancelled, the tragic coincidence of his bereavement happening on the Duke's seventieth birthday. The occurrence has excited universal sympathy. The Duke on the following day would have opened the Canadian Hotel provided through the \$50,000 presented to the late Duchess by Canadian women. The engagement has also been abandoned.

Goldberg, before whom she appeared had been searching for months. Mrs. Weinberg gave the name of "Susan Smith," when brought into court. She told Judge Goldberg she had stolen the milk because she was starving. The court expressed doubt as to the truth of the name she had given, and then she admitted her real name. "There is a cheque in my office for you for \$5,000, if you are the Elizabeth Weinberg I think you are," said the Judge. Later Mrs. Weinberg produced sufficient proof and the cheque in settlement of the estate of an uncle was turned over to her. The larceny charge was dropped.

## Look! Read! Realize.

We cater to the men's trade, and no other. If you were sick you wouldn't call to see a Tailor, or a Blacksmith, about the condition of your health. Of course not; you would call to see a Doctor.

If you wanted a Suit or an Overcoat would you go to see a Doctor, or a Shoemaker? Not at all. You would go to see a First Class Tailor.

WELL, there's where we shine!!!

We study the business. We know what suits a young man

we know what suits a middle-aged man, and we know what suits the old gentleman—both in goods and in style. We do not let a suit or overcoat leave our establishment until it suits and fits the man who is buying. Our prices are always right when you take the quality into consideration.

Do not forget that we are sole agents for the famous W. H. Leishman & Co., Wholesale Custom Tailors. We have an elegant stock of Overcoats to show you at the present time.
