entirely removes the discomfort of cooking. Apply a match and immediately the stove is ready. Instantly an intense heat is projected upwards against the pot, pan, kettle or boiler, and yet there is no surrounding heat—no smell—no smoke.

Why? Because The New Perfection Oil Cook-Stove is scientifically and practically perfect. You cannot use too much wick—it is automatically controlled. You get the maximum heat
—no smoke. The burner is simple. One wipe with a cloth cleans it - consetly there is no smell, The New Perfection Oil Cook-Stove is wonderful for year-round use, but especially in summer. Its heat oper-
