Enough in the Centre of the Stage By Bulletin Leased Wire. LONDON, March 4. (Western Associated Press Special Cable.)-Among the continued speculations as to what is going to happen in regard to Ulster and Home Rule, one outstanding feature this morn-ing is the manner in which the labor organ, the Daily Citizen, handles

TRAFFIC IN PARIS | Says Home Rule Has Been Long

the question editorially:

EDMONTON BULLETIN

"We are hearing more than enough about Ulster," says the Citi-zen. "Home Rule has held the political stage too long. The people are weary of seeing the solution of grave social and political prob-lems blocked by this eternal controversy." The Citizen declares that there should be no concession to the influences, high or low, which are striving to force on another gen-eral election on the Home Rule issues, yet in its news, column simul-taneously it gives a revival of the story that the lords intend to reject the annual army hill thus forcing the government to the construction the annual army bill, thus forcing the government to the country in order to obtain the necessary authority to continue to maintain the army.

"This last desperate move in the campaign is intended not merely to wreck Home Rule, but also to nullify the Parliament Act and resuscitate the House of Lords as a dominant political force," says the Citizen
