"Stella Maris."

Sentiment, one of the characters says, is everything in life. Without it no heroic action would ever be performed, no self-sacrifice shown; everything would be just miserable. Mr. Locke can certainly not be accused of losing sight of this most pleasing human attribute. Stella Maris, with her delicate thoughts and fancies, is thoroughly charming. Risen and Herrold are both quite captivating. The story as a whole is well worthy to rank with Locke's best and most successful novels. Special Colonial Editions—paper, 50c.; cloth, 75c.

Other novels by this same writer are:

Aristide Pajol	50c.
Beloved Vagabond	50c.
Simon the Jester	50c.
Marcus Ordeyne	50c.
Idols	50c.
Where Love Is	50c.
