Promotion by Merit.

TAXICAB DRIVER BECAME GEN-ERAL IN BRITISH ARMY.

In his last despatch—one of the most remarkable historical documents ever published, says the Manchester Guardian, Sir Douglas Haig pays a great tribute to the qualities which won the war for Britain, and

ed by men of all ranks of society, from the humblest to the highest. 'The life of the British Empire

generally," he says, "has proved sound under the severest tests, and, while giving men whom it is an honor for any officer to command, has furnished officers of the highest college, a clerk to the Metropolitan standard from all ranks of society

been entirely by merit, and the high- officers. est appointments were open to the "A mess sergeant, a railway sig-

At the outset of the war, as Sir Douglas Haig states, our new troops drawn as they were "from every sphere of life, from every profession. department, and industry of the British Empire and thrust suddenly into a totally new situation full of unknown difficulties," were placed at a disadvantage "compared with the methodically trained enemy." "This disadvantage, however, was "overcome," and "young officers, whatever their previous education nay have been," "learned their daties with enthusiasm and speed," and "accepted their responsibilities unflinching-
