### Healthfulness

Crisco is strictly veg-  
etable. It is made clean,  
pure and in a modern  
sanitary plant. Crisco's  
melting point is below  
body heat making it a  
fat which is easily di-  
gested. Because of its  
healthfulness, many  
hospitals, colleges and  
schools have adopted the  
use of Crisco. Women  
who use Crisco are de-  
lighted with its results  
always. Now at most  
grocery stores.
