

Breakfast—Epps's Cocoa, Grateful and Comforting.—By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately flavoured beverage which may save us many heavy doctor's bills. —*Civil Service Gazette.* Made simply with boiling water or milk. Each packet is labelled — "James Epps & Co.", Homoeopathic Chemists, London." 1/6-9m

It is rumored that a new daily paper is to be launched in the Reform interest in Toronto.

S. E. Burwell, of Pinal, Ont. writes: —Last autumn I was suffering from a severe cold which settled on my lungs and produced a distressing cough for which I gave trial to a number of Cough Medicines but without any benefit. I at last tried one bottle of Allen's Lung Balm, which I am happy to be able to state gave almost immediate relief and performed a perfect cure in a short time.

THE RECENT CASE OF DEATH by strychnine poisoning from taking SYRUP OF HYPOPHOSPHITES, noticed in the Montreal Daily Witness, of August 1st, renders great caution necessary not to confound Dr. Wheeler's Compound Elixir of PHOSPHATES and Calceola, with COMPOUND SYRUP OF HYPOPHOSPHITES. Observe well the difference in orthography, and bear in mind that medicinally there is no similarity in action or effect.

PHOSPHATES ARE ABSOLUTELY NECESSARY to sustain life, being an element of every solid and fluid of the body, and they are incapable of injurious results at any period from infancy to old age, or under any possible condition of the system, and no more harm can result from taking more than the prescribed dose than from eating too hearty a dinner.

ALLEN'S LUNG BALSAM.

Is the great modern remedy for COUGHS, COLDS, CONSUMPTION, ASTHMA, CHOP and BRONCHITIS. It is recommended by Physicians everywhere, who are acquainted with its great usefulness.

Dr. A. L. Scovill, of Cincinnati, Ohio, says:—

"I have witnessed its effects on the young and the old, and I can truly say that it is by far the best expectorant remedy with which I am acquainted. For coughs, and all the early stages of lung complaints, I believe it to be a certain cure; and if ever a family would keep it by them, ready to administer upon the first appearance of disease about the lungs, there would be very few cases of fatal consumption. It causes the phlegm and matter to rise without irritating those delicate organs (the lungs), and without producing constipation of the bowels. It also gives strength to the system, stops the night sweat, and changes all the morbid secretions to a healthy state."

IMPORTERS.

FIRE, SMOKE, STEAM!

In consequence of the late great fire in Montreal, Messrs. McIntyre, French & Co. have sold the balance of their stock saved from the fire \$260,000 at auction, of which G. B. FRASER bought largely at such low prices as will enable him to sell

Dry Goods this Winter much cheaper than any other Store in Guelph!

FRASER'S store is crammed from cellar to attic with cheap goods. The rush of customers to FRASER'S for the cheap smoked goods is enormous, which causes other merchants to grunt and growl. Still FRASER is determined to look after the wants of his customers, no matter what others may think.

Being the only merchant in Guelph who attended the Great Auction Sale in Montreal, can state with confidence that he can show Goods at prices much below their regular value.

Parties buying at FRASER'S will save more money than they would elsewhere.

Shoppers to his store should try the experiment. FRASER keeps a general store where all can get united without having the trouble of going all over town.

CALL and SEE THEM.
