To Assist Nature
In restoring diseased or wasted tissue is
all that any medicine can do. In pul-
monary affections, such as Colds, Bron-
chitis, and Consumption, the mucous
membrane first becomes inflamed, then
accumulations form in the air-cells of the
lungs, followed by tubercles, and, finally,
destruction of the tissue. It is
plain, therefore, that, until the hacking
cough is relieved, the bronchial tubes
can have no opportunity to heal.
Ayer's Cherry Pectoral

Soothes and Heals
the inflamed membrane, arrests the
wasting process, and leaves no injurious
results. This is why it is more highly
esteemed than any other pulmonary
specific.
L. D. Bixby, of Bartonville, Vt.,
writes: "Four years ago I took a se-
vere cold, which was followed by a
terrible cough. I was very sick, and
confined to my bed about six months.
My physician finally said I was in con-
sumption, and that he could not help
me. One of my neighbors advised me
to try Ayer's Cherry Pectoral. I did so,
and before I had taken half a bottle was
able to go out. By the time I had
finished the bottle I was well, and
remained so ever since."
Alonzo P. Daggett, of Smyrna Mills,
Me., writes: "Six years ago, I was a
travelling salesman, and at that time was
suffering with

Lung Trouble.
For months I was unable to rest nights.
I could seldom lie down, had frequent
choking spells, and was often com-
pelled to seek the open air for relief.
I was induced to try Ayer's Cherry
Pectoral, which helped me. Its con-
tinued use has entirely cured me, and, I
believe, saved my life."

Ayer's Cherry Pectoral,
PREPARED BY
Dr. J. C. Ayer & Co., Lowell, Mass.
Sold by all Druggists. Price \$1; six bottles, \$5.

every case successfully.

Antigonish, N.S., is excited over the

that place. The seam shows fourteen

For chronic catarrh, induced by a scru-

ADVICE TO MOTHERS.—Are you disturbed
at night and broken of your rest by a sick
child suffering and crying with pain of cut-
ting teeth? So send at once and get a
bottle of "Mrs. Winslow's soothing syrup"
for children teething. Its value is incalcu-
lable. It will relieve the poor little sufferer
immediately. Depend upon it, mothers,
there is no mistake about it. It cures dys-
entery and diarrhoea, regulates the stomach
and bowels, cures wind, colic, softens the
gums, reduces inflammation, and gives tone
and energy to the whole system. "Mrs.
Winslow's soothing syrup" for children
teething is pleasant to the taste and is the
prescription of one of the oldest and best
female physicians and nurses in the United
States, and is for sale by all druggists
throughout the world. Price twenty-five
cents a bottle. Be sure to ask for "Mrs.
Winslow's Soothing Syrup," and take no
other kind.

A firm on Wall street, New York,
has in operation and on exhibition
what is probably the smallest working
printing press in the world. It is an
interchangeable cylinder, printing from
a continuous roll, with a cut-off. It is
but twelve and a half inches in length
and seven and a half inches high. Its
width in the widest part is ten and a
half inches. At the office where it is
in use it has been necessary to furnish
to brokers and others a daily letter of
financial news. Until the invention of the
press this service was performed by the
manifold system. Nine manifold-
ers were required, working very rapidly.
By simple hand power, after the type is
set, 200 copies per minute of any cir-
cular can be printed. With a dynamo
machine to furnish the power, over
500 copies can be printed in the same
time.

Recently some five hundred brewery
workmen in New York city who had
been locked out four weeks because the
boss brewers refused to recognize their
union, marched down town to Mayor
Hewitt's office and asked the Mayor,
through S. E. Shevitch, the noted an-
archist, to do something in their be-
half. The Mayor advised the men to
give in and go back to work. Shevitch
said if the men did that they would be
called "scabs." That was too much
for the Mayor. He interrupted Shevitch
and excitedly denounced labor
organizations for their tyranny in com-
pelling men to join them. "It is ty-
ranny that no American will submit to,"
said he. "You have half a million
men in two labor organizations, let us
say in the United States, yet you seek
to control 58,000,000 people. You have
no right to take away my liberty.
It is a violation of law. You talk of
'scab' as a term of reproach. I con-
sider the 'scab' a moral hero, who re-
fuses to surrender his individual lib-
erty."

BE ON YOUR GUARD
Against sudden colds, irritating coughs and
soreness of the throat. Keep Hayard's
Federal Balsam at hand for these prevalent
troubles of winter and spring. It is the
best safeguard.

Messrs. A. Harris & Co., Brantford,
manufacturers of agricultural im-
plements, etc., a few days ago made a
shipment of six car loads of machinery
to the Argentine Republic, valued at
\$20,000.

EARLY-CLOSING
ACT.

The Hon. Commis-
sioner of Public Works
certainly deserves the
gratitude not only of
clerks but the mercantile trade gener-
ally throughout the Province for this
measure of reform. The general ver-
dict of the press goes to show invari-
able success wherever the Act has been
adopted. It does not seem that in
framing the bill the idea of embracing
rural municipalities was intended, as
was very clearly shown by Mr. Clay in
a recent issue
