IN SOUTH AFRICA

Invaders of Cape Colony Have Reached the Ondtshoorn District—A Skirmish—Oom Paul's Health.

Cape Town, Jan. 28.—It is reported that the invaders have reached the Ondtshroon district, where they had a slight skirmish with the defense forces.

The secretary of Mr. Kruger telegraphs that the statements about Mr. Kruger being sick are inventions. His health is very satisfactory.

HOW THE BODYGUARD DIED.

London, Jan. 28.—Details have been received of the disaster to the commander-in-chief's bodyguard, which took place on Jan. 3, while Col. Laing, with 150 men, was moving to Reitz. The troops were surrounded in a valley in column and came under a terrific cross fire.

The bodyguard galloped to a dongo and fought like tigers. About this time Col. Laing was shot through the heart by a Martini-Henry bullet.

Then commenced a scene of slaughter. The enemy came up closer and closer. Our men never flinched, firing with coolness and determination. The officers, who took the dead men's rifles and lent every aid in the thick of the fight, were falling fast, killed or wounded.

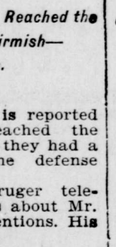
Lieut. Bateson galloped through, and reached Col. White, to whom he reported the desperate plight of the bodyguard. Col. White dispatched a force to the rescue, but it arrived twenty minutes after the remnant of the bodyguard has been taken prisoners.

Most of the wounds received by the men of the bodyguard were from Martini-Henry and expanding bullets. The dead were buried by 10 o'clock at night.

ZION BANK TELLER GONE.

Chicago, Jan. 28.—Arthur R. Barnard, teller of Zion City Bank, the private financial institution established by John Alexander Dowie four years ago, has disappeared. His father, S. J. Barnard, cashier of the bank, reported his disappearance at the Englewood police station yesterday. He believes his son has been kidnapped and is held for ransom. The police think it more probable that young Barnard has been held up by robbers.

Do You See It?



Look carefully at this little picture. There's a great deal to it. There's a lamp, that makes the heat. Right over it is the vaporizer that holds the Vapo-Cresolene. This Cresolene is a wonderful medicine. It kills most kinds of disease germs, and is a most remarkable healing agent. You simply breathe-in the vapor of it, that's all; it goes all through your bronchial tubes, curing asthma, croup, coughs, catarrh, whooping-cough. 11

Vapo-Cresolene is sold by druggists everywhere. The Vaporizer and Lamp, which should last a lifetime, and a bottle of Cresolene complete, $1.50; extra supplies of Cresolene 25 cents and 50 cents. Illustrated booklet containing physicians' testimonials free upon request. VAPO-CRESOLENE Co., 180 Fulton St., New York, U.S.A.

PROCLAIMING THE KING

Ceremony Took Place Today at Windsor—Honoring the Crown Prince of Germany.

London, Jan. 28.—The ceremony of proclaiming King Edward VII. as King of the United Kingdom of Great Britain and Ireland and Emperor of India continues in all the centers of the kingdom. An impressive function took place in the royal borough of Windsor at noon today. Thousands witnessed the historic proceedings.

According to the present arrangements the United States is the only country which will not be specially represented at the funeral of Queen Victoria. The United States embassy has received no instructions so far, and it is supposed that only United States Ambassador Choate and his staff will be present.

While the crown prince knelt before the King to receive the insignia of the Order of the Garter, his majesty addressed a few cordial words to the prince, and then, turning to Emperor William, in touching terms he thanked him for his visit at this time of sorrow and bereavement, and dwelt on the personal and other ties uniting the two countries of Germany and Great Britain.

It is said that Emperor William will bestow the Order of the Red Eagle on Prince Arthur of Connaught, the son of the Duke of Connaught.

BOILED TO DEATH

Child Fell Into a Kettle of Hot Lard—Workmen Had a Bath in Boiling Brine.

Bay City, Mich., Jan. 28.—The seven-year-old son of John Fondemellel, of Essexville, died from the effects of burns caused by falling into a kettle of hot lard. The little fellow's sufferings were horrible.

Martin Puolak, who fell into boiling brine at Rouse's salt works, Essexville, a week ago, died from his injuries in the hospital Saturday. The lowed part of his body was literally cooked.

DEATH OF J. H. McGEARY, M.A.

St. Thomas, Jan. 28.—J. H. McGeary, M.A., mathematical master of the Collegiate Institute, this city, died from the effects of pneumonia Saturday night. The students speak of him in the highest praise, and admired him both as a man and a teacher. The deceased was 36 years of age, and leaves a wife and three children to mourn his untimely end, twin babies being born the day previous to his death. He was considered one of the best mathematicians in Ontario.

DEATH OF CHAS. S. FOX.

Kingsville, Ont., Jan. 27.—Chas. S. Fox died this morning at his residence, east of this town. Deceased served as a warden of Essex county in 1885, and was reeve of the township of Gosfield for twenty years. He was candidate for the Local Legislature, and contested the riding of South Essex against the late W. D. Balfour some years ago, the latter being elected.

EYE GOUGED OUT BY ICICLE.

Iron Mountain, Mich., Jan. 28.—While playing on a roof that was being reshingled by his father, Willie Symond, aged 11, fell to the ground, a distance of 11 feet. A long, sharp icicle entered the child's cheek, and was driven upwards by the force of the fall, to the eye-socket, so badly injuring the right eye that the physicians found it necessary to remove it.

The first straw paper made in this country was manufactured in 1828.

A CAUSE OF HEADACHE.

One Very Common Cause, Generally Overlooked.

Headache is a symptom, an indication of derangement or disease in some organ, and the cause of the headache is difficult to locate because so many diseases have headache as a prominent symptom; derangement of the stomach and liver, heart trouble, kidney disease, lung trouble, eye strain or ill-fitting glasses all produce headaches, and if we could locate the organ which is at fault the cure of obstinate headaches would be a much simpler matter.

However, for that form of headache called frontal headache, pain back of the eyes and in forehead, the cause is now known to be catarrh of the head and throat when the headache is located in back of head and neck it is often caused from catarrh of the stomach or liver.

At any rate catarrh is the most common cause of such headaches and the cure of the catarrh causes a prompt disappearance of the headaches.

There is at present no treatment for catarrh so convenient and effective as Stuart's Catarrh Tablets, a new internal remedy in tablet form, composed of antiseptics like Eucalyptol, Guaiacol and Blood Root, which act upon the blood and cause the elimination of the catarrhal poison from the system through the natural channels.

Miss Cora Ainsley, a prominent school teacher in one of our normal schools, speaks of her experience with catarrhal headaches and eulogizes Stuart's Catarrh Tablets as a cure for them. She says: "I suffered daily from severe frontal headache and pain in and back of my eyes, at times so intensely as to incapacitate me in my daily duties. I had suffered from catarrh, more or less for years, but never thought it was the cause of my headaches, but finally became convinced that such was the case because the headaches were always worse whenever I had a cold or fresh attack of catarrh.

"Stuart's Catarrh Tablets were highly recommended to me as a safe and pleasant catarrh cure, and after using a few fifty-cent boxes, which I procured from my druggists, I was surprised and delighted to find that both the catarrh and headaches had gone for good."

Stuart's Catarrh Tablets are sold by druggists at 50c per package, under the guarantee of the proprietors that they contain absolutely no cocaine (found in so many catarrh cures), no opium (so common in cheap cough cures), nor any harmful drug. They contain simply the wholesome antiseptics necessary to destroy and drive from the system the germs of catarrhal disease.

$7,000 IN AN UNSEALED LETTER

Recovered by a Postoffice Inspector, and None of the Checks Was Missing.

Denver, Col., Jan. 29.—Seven thousand dollars in checks and warrants traveling about through the mails in an unsealed envelope and without a letter accompanying to say who sent them or why, are what Postoffice Inspector Sullivan was asked to find a few days ago. He was successful, and not a check nor a warrant had been lost or stolen. Moreover, he intercepted the package before it reached the bank to which it was addressed.

The blunder was made in Leadville. A mining man there prepared $7,000 to send to a bank in Bennington, Vt., intending later to inclose a letter and register it. That evening the porter found the envelope, stamped and addressed, lying on the desk. Thinking it was a letter which his employer had forgotten, he took it to the postoffice, not noticing that it was unsealed.

THE MURRAY HALL CASE

Brought Before the Criminal Court in New York—A Question of Sex.

New York, Jan. 29.—At the criminal court buildings yesterday, the story of Murray Hall, the woman and Tammany Hall politician, who posed successfully before all New York as a man until her death a few weeks ago (as fully described at the time in The Advertiser), was taken up before Coroner Zucca and a jury. The legal determination of the sex of this woman is important, as involving the disposition of an estate of about $5,000 under the will of Murray Hall.

Miss Imelda Hall, the adopted daughter, testified that she always supposed Murray Hall was a man. She was not a legally adopted daughter, she stated.

"How long had Murray Hall suffered from this cancer?" "Six years."

"Had she a doctor?" "Yes, Dr. Gallagher had been visiting her for about a year."

A letter written by Murray Hall to the district attorney was read at this point, complaining of having been sandbagged some years ago. When asked about this the witness said: "Yes, he once complained of it."

"Wouldn't you better say 'she'?" asked the coroner. "No, I will never say 'she'."

Dr. W. C. Gallagher then took the stand. He said he had known Murray Hall about a year, and that cancer of the breast was a disease peculiar to women. When asked if he did not know that Murray Hall was a woman when he first attended her he declined to answer. He thought the cancer might have been caused by the sandbagging alleged in the letter to the district attorney, but he was not sure. The jury decided that Murray Hall was a woman and died from natural causes.

Sick Headache For Sixteen Years,

But Mrs. Michael Farough, of Essex Center, Ont., Finds a Cure at Last in Laxa-Liver Pills.

Another sick headache sufferer freed from misery.

Another one who had tried all sorts of medicines and doctor's treatment without deriving much benefit, cured at last by Laxa-Liver Pis.

Here is Mrs. Farough's statement of her case in her own words: "I was troubled with sick headache for over sixteen years. I doctored and took everything I could think of, but it did me no good.

"Lately I commenced to use Laxa-Liver Pills, and I find they do me more good than any other medicine I have ever taken. They are an excellent pill, and I would say to every one troubled with sick headache, take Laxa-Liver Pills and you will be cured."

Laxa-Liver Pills are undoubtedly the best remedy for Constipation, Sick Headache, Dyspepsia, Biliousness, Coated Tongue, and all diseases of the Stomach, Liver and Bowels. Price 25c, at all druggists.

THE FORESTERS

Supreme Court I. O. F. Vindicated—Dr. Coulter's Charges Fall to the Ground.

New York, Jan. 29.—The applicaion by Dr. Charles L. Coulter for an injunction restraining the Supreme Court of the Independent Order of Foresters from continuing certain alleged extravagant practices, and from interfering by threats or otherwise with the plaintiff and his attorney and witnesses in prosecuting certain actions brought by him, was today denied by Justice Blanchard in the Supreme Court.

The plaintiff claimed the organization was practically insolvent, and had expended over $400,000 in collecting an income of $2,500,000 last year. The defendants denied all the allegations of mismanagement, and showed that the order had now 170,000 members in the United States and Canada and a surplus of $4,000,000.

Another of Dr. Coulter's charges was that the association declined to accept black or yellow men as members, while it had elected as its supreme chief ranger a Mohawk Indian.

The defendants, in reply to this, said that Dr. Oronhyatekha was a full-blooded Mohawk Indian, who was a licentiate of the Ontario Medical Council; an under graduate of Oxford University, England; a graduate of Toronto University, and was last year the president of the National Fraternal Congress of America. He had been at the head of the order since 1881, when it had only 369 members, and had since been engaged in building up the association, while Dr. Coulter now seemed to be employed in an endeavor to destroy it, if he possibly could do so.

Justice Blanchard, in denying the motion for the injunction, said that all the allegations charging maladministration of the defendant and the doubtful solvency of the order had been fully met. He denied the motion with $10 costs.

TWO CHILDREN BURNED TO CINDERS

Mother Saved Several by Throwing Them From a Window.

Bessemer, Mich., Jan. 29.—The residence of Louis Beissel burned Sunday night. The charred remains of a boy 4 and girl 6 years old were taken out of the ruins.

Mrs. Beissel is in a critical condition, being severely burned, and is not expected to live. She saved several of the children by throwing them from the second-story window. A lamp explosion was the cause. No insurance.

SOMETHING TO PLEASE THE PALATE

When this is accomplished, it means much to those who, in the past, have not been able to thoroughly enjoy the first meal of the day—breakfast.

A breakfast that is not satisfying or that is not fully enjoyed, cannot fit people for the duties of the day.

Malt Breakfast Food not only pleases the palate of young and old by its delicious flavor, but it imparts to the body and brain a vim and vigor that ordinary oatmeal and other grain foods cannot give. Malt Breakfast Food satisfies the appetite, and gives to the system a nourishment that quickly develops bone, muscle and tissue.

It is the Malt with all its virtues and valuable properties that does the good work. Try this peerless breakfast food in your home if you are a stranger to it. It will meet your hopes and expectations. Ask your grocer for Malt Breakfast Food.

BALLOTS ALLOWED

Voters Not to Suffer for Deputy Returning Officer's Error.

Toronto, Jan. 29.—Chancellor Boyd and Mr. Justice Street yesterday delivered judgment as to the validity of seven ballots in the North Bruce case that were not initialed. Four of them were marked for Campbell and three for McNeill. The judges hold that the ballots are good, the initials being absent by reason of the neglect of the deputy returning officer, for which the voter should not suffer. The decision does not affect the result of the trial, which is to be resumed on Monday next at Southampton.

Winnipeg, Jan. 29.—Orders have been made by Mr. Justice Bain dismissing the election petitions which were filed in the following cases: Rockwood, Brandon City, North Brandon, Gimli, Cypress, Winnipeg, North Morden, Rhineland, South Brandon, Lorne, Lansdowne and Carillon.

Philadelphia has the largest city hall in the world.

PNEUMONIA AND CROUP.

"I take my pen in hand to inform you of the great cure effected by your medicines. Some time ago my husband was taken down with lung fever. It came on him with a chill in the night. It happened I had a supply of your medicine in the house at the time. I rubbed his chest and back with the Radway Ready Relief. I gave him a teaspoonful in a little hot water to drink, to help warm and stimulate him, and in about half an hour three of the Radway's Pills. By the time the doctor came the next morning he was much better. The doctor wanted to know what I had been doing. I told him. He said that was good, that they were good medicines. Another case I had was with my little nephew, who was staying with me. He was taken with croup. I rubbed his chest, throat and back with the Ready Relief, gave him doses about an hour apart, followed it by a dose of pills. By the next day he was about all right. I have been using this medicine, with my family and my neighbors, for about 30 years, and never knew it to fail, when the directions were carefully followed. I would feel greatly obliged to you to please forward me 'False and True,' one of your publications, for which I inclose stamp, for I absolutely need it at once, if you please. You are at liberty to make use of this testimony, as you may think proper. Yours respectfully,

MRS. ELIZA DUNN.
