PRESIDENT McKINLEY'S **OUTING!**

How He and 27 Guests Will Make Their Journey.

Railroads and Pullman Company Refuse to Allow President to Pay a Penny for His \$30,000 Tour of 15,000 Miles.

Washington, April 30.-No king or emperor ever enjoyed such luxuries of travel as will surround President Mc-Kinley and his party on the long journey which began at 10:30 Monday morning. He travels in a special train of six cars expressly fitted for the journey by the Pullman Company, including President Robert T. Lincoln's own private car, the Olympia, the most sumptuous railroad vehicle in the

world. The president and his party will travel 15,000 miles over 27 railroads, traversing 25 states, leaving Washington April 29, arriving in San Francisco via New Orleans, on May 14, and returning through the Yellowstone Park o Washington again June 10.

He will stop from one hour to one week each in these places: Memphis, Tenn.; Vicksburg, Jackson, New Orleans, Houston, Tex.; Austin, San Antonio, El Paso, Phenix, Ariz.; Los Angeles, San Buenaventure, Santa Barbara, Del Monte, Santa Cruz, Palo Alto, San Francisco, Stockton, Sacramento, Redding, Ashland; Salem, Ore.; Portland, Butte and Helena, Mont.; Yellowstone Park (four days), Salt Lake City, Colorado Springs, Denver,

Kansas City and St. Louis. The longest distance to be traveled without stop to meet an engagement is from San Antonio to El Paso, Tex., 624 miles. The railway train contains bedrooms with full-width beds, bath rooms, barber shop, library, trunk room, and a reception-room. big nough for an ordinary gymnasium.

TO BE WELL SERVED. The president and his 27 official guests will be waited upon, besides the regular train crews that change from place to place, by the following personal attendants, who will never leave the train day or night:

One special conductor. One commissary. Four cooks. Five waiters. Seven porters. Two electricians. Three valets. Four ladies' maids.

Three typewriters. One official photographer. ALL FOR NOTHING.

It is understood that the president expressed a desire to defray all the expense of the trip himself. But the railroads and the Pullman Company, however, have refused all pay. Even the commissary department will be supplied at the Pullman Company's expense. allowed the heat and fire to reach the private person making this tour, in cars much less sumptuous, with food wery dry woodwork.

Mr. Andrew Weir died at Walkerton on Friday, very suddenly of apoplexy, in his 70th year. Deceased was well known in Guelph, having taught school at Aberfoyle for over thirteen years. He afterwards moved to the county of Bruce, where he bought 200 acres of land. Having worked the farm for twenty years, he retired and moved to Walkerton, where he had resided for the last five years. He leaves behind him his wife, two sons and four daughters—Lieut.-Col. Weir, of the St. Lawrence Starch Company, Port Credit; Archie, who occupies the homestead; Mrs. Ewing, of Warkworth; Janet, of Pittsburg, Pa.; Euphemia and Lizzie, at home. much less varied and waiters much less dexterous than the president's, the cost would be \$30 a day for each car or \$180 per day for the train, with an added average cost of \$1 50 a mile to the railroads for hauling the cars as a special train. This would mean \$22,500 to the railroads for transportation, and \$7,380 to the Pullman pany for the cars, or \$29,880 for the 41 days' trip, with the entire cost of the food for the president's 26 guests and 20 attendants added.

The members of the party will be as follows: The president, Mrs. McKinley, Miss Barber, Secretary Hay, Mrs. Hay, Postmaster-General Smith, Secretary Long, Mrs. Long, Secretary Hitchcock, Miss Hitchcock, Secretary Wilson, Miss Wilson, Secretary Cortel-you, Mrs. Cortelyou, Dr. P.
