Use of Two Kinds of Coal Y. M. C. A. Emphasizing Together Often More Economical.

Department of Mines Prepares

Instructions for Use of

Every Householder.

Many a householder who has ex perienced great difficulty in trying to tary of Western University, has juburn the substitute fuels thrust upon returned from the annual territor. him this winter, will welcome a meeting of the Young Men's Chris pamphlet just issued by authority of tian Association. the Dominion Feul Board telling him just how to proceed to get the best wide religious movement now results. The mines branch at Ot- progress among associations of Nor tawa has been experimenting for months with these auxiliary fuels in ordinary domestic furnaces, and the have found out. The fuels tried out

anthracite and peat. Two Fuels Better.

A feature of the experiments was its activities is a spiritual one. hat the use of two of these fuels together often gave better results than one used alone. Complete directions are given for building the fire, for plenishing it, and for regulating the drafts. Chemical analyses are also published of each fuel, showing its comparative heating value, ash con and other constituents. Particular interest attaches to the

rections for using soft or bituminus coal; for, the Canadian householder, in the great majority of cases may find it necessary to use soft coal for the remainder of this win-This fuel, the pamphlet points is differentiated from anthracite in having a much higher percentage of volatile or gaseous material. Its sociation upon the counsel of the heating value, however, is nearly 10 per cent greater than that of anthraped address on their part to sustain an oddies in the country and country in the country in t

from the latter to get best results.

Gases Burned. Gases Burned.

Care must be taken to see that the gases that come off are burned. In officers of the lay and employed officers of the association movement. putting on more fuel, part of the old generally are officers, leaders or co fire must be left uncovered to ignite mittee workers in these gases, and the grid in the fire churches. these gases, and the grid in the fire door must be left open to supply air so that the gases will be burned. A soft coal fire also has to be poked more to break up the caked fuel mass in order to permit of complete combustion. The unconsumed gases deposit a layer of soot on the interior of the furnaces and the flues, and this should be cleaned off daily to get the best heating results.

non-technical language, and should be read carefully by every house-holder. It is being widely circulated and coal dealers are being given a supply for free distribution to their customers. Copies can also be obciation in London. tained on application to the Department of Mines. Ottawa

The pamphlet is written in clear

TO HOLD MOTOR SHOW T. A. Russell Lauds London As Natural Center For Auto-

mobile Headquarters.

T. A. Russell of the Russell Motor Company of Toronto, who will open the Motor Show today, arrived in the city late last night-but not too late to give The Advertiser representative a few minutes and to tell him some of his own opinions of the motor industry in general and of the London Motor Show in particular. "I think," he said, "that London i

an ideal center for this motor show and also that it forms a natural center for headquarters for the automobile industry in Western Ontario. Mr. Russell, who is a personal riend of Mayor Wenige, has been in London before, though never in the armories. "I hope," he declared, "that he show will be a great success, and that the capacity of the armories will be taxed to its full extent. am looking forward with the greatest pleasure to see the exhibits, which have heard are very fine.' Questioned as to the outlook in the automobile field, he said: "We are expecting to have a good steady year of car disposal. We do not lool

such as we had in some of the year that are past, but we are certain optimistic in our visioning of thi year's output, and there are n clouds on the horizon of this stead demand that I have spoken of. "Most of the larger companies has made preparations for a year moderate expansion, a decision the reflects the opinion of the best a most outstanding men in the ind

ward to any unusual buying fervor

most outstanding men in the i probable trend of business coming year."

APPOINT NEW MINISTER. Associated Press Despatch. Peking, Feb. 5.—Huang Feu was their members and officers. In the connection, Dr. John R. Mott, general secretary of the internations committee, V. M. C. A., is making tour of 45 cities in 35 states and the control of appointed foreign minister today, replacing Alfred Sze, minister to the United States, whose resignation has
