ST. ANDREWS EASILY BEAT W. O. R.'S 4--1

Winners Equalize McCutcheon Cup Final Series.

FAST FIELD SUITS SCOTS

Had Edge of Play Throughout With Combination and Tricky Footwork.

St. Andrews showed a complete reversal of form Saturday afternoon, defeating W.O.R.'s in the second game of the McCutcheon cup finals by a score of 4 to 1. From the moment the opening penny whistle blew, the Scots took the game in hand, and easily had three-quarters of the play during the whole session. The game was late in starting, and, despite the fact that it was ideal British cup tie weather, only 200 turned out to chatteringly cheer the teams on. Though most of the fans thought goals counted, a third game

W. O. R. won the toss and elected kick against a northwest wind. Following two close chances for a corner kick, Morgan shot wide. Mudds is forced to save with Scots forward right on top again. Adamson made a nice save on a shot from the right. Scots forced a corner, but Dennis relieves. W. O. Scots' forwards made several abortive attempts before Peebles, after nice combination, beat Nudds for Scots' nic C., Veneno, Gonwithin, Valmond

Shortly after this the W.O.R.'s were awarded their first penalty kick. Woods, taking the kick, placed the ball right in front of Goaler Adamson, who saved trom Ridiey, but Perkins caught the rebound and headed it into the nets for W.O.R.'s first goal. W.O.R.'s were awarded a penalty for Wilson fouling Perkins, but the latter, taking the kick, lopped the crossbar. Scots resumed topped the crossbar. Scots resumed their tricky play and combination, and had the W.O.R. defence badly be-wildered. Dicks, who had been knocked cut by a hard-kicked ball, returned to the game at this phase, and, intercepting a pass from Holt, tricked the opposing backs and scored his second goal of the game. This was the last score of the game, and W.O.R.'s had stitle time left to make an attempt to evertake the Scots.
