Ontario Track Championships at Queen's Park Tomorrow Only Awaits Good Weather and Starter's Gun

Best Athletic Talent of Ontario, Michigan and New York State Due In City Tomorrow

Many Ontario Track Championships Records Expected To Go Smash.

Fine weather and the starting gun in the first event of the Ontario track championships will be off at Queen's Park tomorrow afternoon. In what promises to be a record year, the largest crowd that ever witnessed any sporting event in London is expected to jam the way into the park tomorrow afternoon to witness a park chockful of variety and sure to furnish all the thrills any normal person could wish for in an ordinary afternoon. In every event, a duel is promised and some history as well as track events in Canada are concerned will be rolled off by Saturday.

The novelty mixed playgrounds relay starting from the downtown section at 1:30 sharp starts the program off, and from then on there should not be a dull moment.

The best athletic talent of Ontario, Michigan and New York State will be seen in action in the various events. The results will have a large bearing on the make-up of Canada's Olympic team which will make the trip to France in 1924.

Novel Events Attract. The playground events will make many enthusiasts tomorrow, and the special half-mile relay for school relay teams finds the old rivals, Toronto Centrals and Hamilton, pitted against one another. Oakwoods of Toronto may upset the boys, but should be a race to settle the long-drawn-out argument between the former two.

Central Collegiate is uncertain yet. It depends upon whether Hamilton is putting their strongest team in the half-mile special or the open event. Wanless, Hunter, Mac Muir and Gorman will probably make up the relay. Hunter, Wanless, Ardiel and Burns will face the starter in the half.

The half-mile relay should bring a lot of action forth with Hector Phillips, the Canadian champion, here to defend his title. Heck also has several Michigan State titles he takes around with him. Ken Hunter, the local youngster, should make the best of them step in this event.

The dashes should bring forth some great duels. Ponton, the Canadian Olympic champion, and Higgins, University of Michigan crack, are the two in sight, and Gorman and Wanless, the two local boy sprinters are set to give the rest of the field some action. The two are in the 220 yard dash, which has drawn one of the classiest fields of the meet.

A Stewart, who threw the javelin for a new Ontario record at the Toronto police games Tuesday, setting 169 feet 4 1/2 inches as the new mark, will be seen in both the discus and javelin events.

Wanless in 440. Bill Wanless is entered in the 440, another event which promises some fast time and in which there is an unusually big field. The local youngsters, the best distance in the 440, and if he's in form he's got more than an even chance in this race. Wanless is another Londoner whose work will be watched with interest.

Histed of the Hamilton Y. did a running high of 5 feet 10 1/2 inches at the "B" trials of the local youngsters last week. Wright, the local lad, who has been showing great promise for over a year now, is another contender in this event.

The five-mile should be a feature, with Jimmy Dellow, Norman General and Eddie Rae of Hamilton Y. among the entries. The Hamilton Y. has a cop, as the first-named pair are better at the longer distances. Port Arthur has sent an entry, but the Hamilton Y. is the one to watch.

Nothing but a wet day can make anything other than a huge success of the meet. The Hamilton Y. has a committee and especially the chairman, A. T. Taylor, has worked strenuously for two months to make the meet a success.
