### Bits of Sport

Under pressure by the Toronto club President Barrow of the International League has lifted the suspension of Manager Lajoie and the latter will play his accustomed position at second base in the morning and after noon games against Rochester this afternoon.

Arthur Spencer of Toronto won the American cycle racing championship at the Velodrome Newark, N.J. In gaining the crown the Canadian boy dethroned Frank L. Kramer, the man who has held the title for the last sixteen years.

Teemseels turned out their strongest team against the Shamrocks at the Toronto Island Stadium on Saturday and defeated the Irish 12 to 8, while the Nations were beating Ottawa and assuming the lead in the N.L.U. race.

The Nationals playing in nearly perfect style easily defeated Ottawa in Montreal on Saturday by 14 to 7 and went in to the lead for the N.L.U. championship.

### KILBANE AND LEONARD TO MIX IN SIX ROUNDS.

Philadelphia, June 29.—Johnny Kilbane, featherweight champion, and Benny Leonard, who recently won the lightweight title from Freddie Welsh, signed articles here last night for a 6-round bout to be held at Shibe Park the home of the Philadelphia American League baseball club, on July 23, for a purse of \$20,000.

Billy Gibson, representing Leonard and Jimmy Dunn, who looked after Kilbane's interests, posted \$15,000 each as a guarantee that the boxers would weigh in at 133 pounds at 8 o'clock on the night of the fight.

The failure of the Teemseels to put in an appearance at Cernvall yesterday for their scheduled N.L.U. game was a keen disappointment to the players and supporters of the Cornwall team, as it was felt that the game would have been a good one. There was a large crowd in town for the event, and as a result of the default Cornwall is out a \$400 gate. What effect the Indians' defection

will have on the league is not known. There is some talk of Ottawa and Cornwall amalgamating and a new schedule being formed. This proposal has not been officially dealt with, but it finds favor here.

Nationals continued their winning streak in the N.L.U. yesterday afternoon at Ottawa when they defeated Ottawa by 16 to 7. In the first quarter Ottawa caught Nationals off their guard, played them to a standstill, and ran in four goals before the Frenchmen steadied down, Ottawa leading by four to one when the opening session ended.

### Lawn Bowling

#### Club Tournament.

The lure of the good old Summer game drew twenty enthusiasts to the lawn bowling greens yesterday morning to participate in an all day club tournament.

Despite the excessively heavy rains which fell on Saturday night and on Sunday the greens were in fine shape. In fact during the afternoon they were as keen and true as billiard table, and as a result some excellent trundling resulted. All the games were keenly contested, and close scores were the feature of the day. The skips of the contesting rinks were Messrs Geo Clarke, W.D. Euler, T.H. Middleton, C.S. Kerr and H. Devitt. The winners were decided upon a percentage basis, and when the final reckoning was made Skip Middleton had a shade on the others, and was declared the winner. Skip Euler was a close second.

The winning rink consisting of J. Hesseauer, lead; A. Foster, second; J. Cochrane, third; and Skip Middleton all played good consistent bowls, and certainly deserved their victory. Although the four played stiller games to Mr. Foster, who was always on the 'Ki try' first honors are due.

### Strike High Patriotic Note in Confederation Speeches at Ottawa

New Parliament Buildings Formally Dedicated Lieutenant-Governor and Premier Speak

Ottawa, July 2.—Half a century of progress, growth and development under the aegis of Canadian confederation was commemorated with simple but appropriate ceremony on Parliament Hill to-day.

Simultaneously and as a befitting accompaniment of the historic occasion the new and stately pile of the Parliament buildings, now in course of construction was formally dedicated as a memorial to the confederation fathers and to the valor of the Canadians at the first of the great battles of the war.

The weather favored the event. Midsummer sunshine was tempered with refreshing breezes and thousands of people turned out. The occasion was graced by the attendance of the governor-general and staff, members of the government and members of the judiciary, military headquarters staff, representatives of the clergy and leading officers in the civil government.

The specially constructed dais and the building were festooned mainly with British, French, American and other allied flags.

The were speeches by the Duke of Devonshire, Sir Robert Borden and Sir Wilfrid Laurier patriotic choruses by a massed choir, with hand accompaniment, and a military march past.

The speeches breathed sentiments of patriotism with eulogies of the Canadian people the achievements of the past and the glory of future prospects. Reference was made to the country's splendidly effective part in the war.

The ceremony was so simple and impressive. The arrangement were made by Sir George Foster head of the Parliamentary committee dealing with the semi-centennial celebration and carried out under Col. S. M. Rogers, Col. Sir Percy Sherwood and Col. E. J. Chambers.

When Duke of Devonshire concluded his speech he touched a button and a Union Jack rose, uncovering the memorial tablet of the occasion in what is to be the hall of fame. His excellency who arrived promptly at noon, was received with military honors. The band played the National Anthem and the chorus sang "Rule Britannia."

The following is the inscription executed on the pillar in English on one side and in French on the other: "July 1917. Anniversary of the confederation of British colonies in North America."

"The Dominion of Canada. The Parliament and people. Dedicate this building. In process of reconstruction. After damage by fire. As a memorial of The deeds of their forefathers. And of the valor of those Canadians. Who in the great war fought for the Liberties of Canada. Of the empire. Humanity."
