A Good Case for Charity.

Editor World: On Nov. 27 last Tobias Levy, aged 14, was riding on the front of a Spadina and Bloor-street ear, and in getting off near Wilcox street jumped the wrong way and was thrown under the ear, the hind wheel of which passed over his right leg, crushing it terribly. He was taken to the Hospital and the leg was amputated at the knee. There is no doubt it was the boy's own fault. He has borne his sufferings bravely and has the courage to say it was his own fault and to exonerate the driver. The parents of the boy are poor hut respectable people, living at 55 Peter-street, and there is a family of six or seven rehildren, of whom this boy is the eldest. The father is a working tailor with large claims on him, and the boy, who is still in the Hospital, is needing good support.

The boy feels keenly the loss of his leg and is anxious to secure an artificial leg and foot. This will cost \$100 at least. This sum is quite beyond the father's means, and I have interested one or two gentlemen in the case, and it was thought that if the facts were known that some kind friends might feel disposed to assist in procuring the funds required to purchase the limb and to provide the necessary support during his recovery. I have investigated the circumstances and can assure the public that anything done in this direction will be most wortilly bestowed. I witnessed the accident and have seen the boy in the hospital since, and his courage under his extreme sufferings is wonderful. I shall be pleased to receive any contributions that may be sent me and will apply them in the purchase of the artificial limb and in providing him with nourishing support.

Christmas Closing at the Ontario Ladies' College.

Whither, Dec. 18.—The Christmas closing of the Ontario Ladies' College last evening was a brilliant success. There were in addition to citizens of this town, Oshawa, Port Perry and Toronto, many visitors from distant places. The choice and beautiful decorations with flowers and evergreens of the rooms and halls of the spacious college, building were much admired. Blazing fires in open hearths threw a ruddy glow and cheerful warmth-upon the throng. In the chapel an interesting concert program of twelve mimbers was given by the young ladies, under the direction of Mr. J. W. F. Harrison. The fair performers were Misses Acheson. The fair performers were Misses Acheson, Grove, Dartnell, Decker, Sparling, Tait, Moore, Powell, Drew, Taylor. There were songs, a rectation, violin and plano solos, and a Christmas carol by the choral class. Judge Dartnell spoke of the bright record of the college since its opening by Lord Dufferin. Rev. Principal Hare told of the splendid prospect in view of affiliation with Toronto University and of the Ontario Ladies' College becoming the Canadian counterpart of the Englishwoman's Girton or Newnham. Refreshments were served in the reading room during the conversazione, which lasted well on toward midnight. The college will re-open Jan. 6.

Some Strange Misnomers.

Much of the Russia leather comes from Connecticat, Bordeaux wine from California, Italian marble comes from Kentucky, French lace from New York, and Spanish mackerel from the New Jersey comes from Buffalo, N.Y., but there is covery comes from Buffalo, N.Y., but there is onthing in its name to criticize, for it is truly golden in value, as thousands gladly testify. Consumption is averted by its use, and it has wrought many positive cures. It corrects torpid liver and cidneys, purifies the blood, banishes dyspepsia and scrofula, renews the lease of life, and tones up the system as nothing else will do. What is nore, it is guaranteed to do all this, or the price s refunded.
