With courage high, she bade goodbye To all she held so dear. Loving and kind in all her ways, Upright and just to the end of her days.

Sincere and true in heart and mind. A beautiful memory life behind; What could I give to clasp her hand, The dear kind face to see, To hear her voice, to see her smile, That meant so much to me.

**FAREWELL AND PRESENTATION**

The neighbors and friends of Mr. and Mrs. Chester Coristine and family gathered at their home on Wednesday night to the number of about eighty, prior to their removal to their new home on the sixth line and spent a pleasant evening and presented them with a handsome chair with the following address:  
To Mr. and Mrs. Chester Coristine and Family;

Dear Friends:  
"It was with deep regret that we heard of your decision to leave our neighborhood. You have proved yourselves good friends and good neighbors and always ready to lend a helping hand. You will be much missed not only in the neighborhood but in the church as well. As you are not going far away we trust we may sometimes see you among us again.

"We are here to-night to extend to you our best wishes for many years of happiness in your new home. Also we ask you to accept this chair as a slight token of our esteem and to remind you that you leave behind you many warm friends at Sutorville."

Signed on behalf of the community  
Wilbert Parker,  
Edward Kidd.  
Mr. Coristine made a short reply thanking their friends and neighbors for their kind remembrance.

**THANKFUL MOTHERS**

Once a mother has used Baby's Own Tablets for her little one she would use nothing else. The Tablets give such results that the mother has nothing but words of praise and thankfulness for them. Among the thousands of mothers throughout Canada who praise the Tablets is Mrs. David A. Anderson, New Glasgow, N.S., who writes:—"I have used Baby's Own Tablets for my children and from my experience I would not be without them. I would urge every other mother to keep a box of the Tablets in the house." The Tablets are a mild but thorough laxative which regulate the bowels and sweeten the stomach; drive out constipation and indigestion; break up colds and simple fevers and make teething easy. They are sold by medicine dealers, or by mail at 25c a box from The Dr. Williams' Medicine Co., Brockville, Ont.

When a mother detects from the writhing and fretting of a child that worms are troubling it, she can procure a reliable remedy in Miller's Worm Powders which will expel all worms from the system. They may cause vomiting, but this need cause no anxiety, because it is but a manifestation of their thorough work. No worms can long exist where these Powders are used.
