

The Ontario Agricultural Gazette

The Official Bulletin of the Dominion Cattle, Sheep, and Swine Breeders' Associations, and of the Farmers' Institute System of the Province of Ontario.

THE DOMINION CATTLE, SHEEP, AND SWINE BREEDERS' ASSOCIATIONS.

Annual Membership Fees:—Cattle Breeders', \$1; Sheep Breeders', \$1; Swine Breeders', \$2.

BENEFITS OF MEMBERSHIP.

Each member receives a free copy of each publication issued by the Association to which he belongs, during the year in which he is a member. In the case of the Swine Breeders' Association this includes a copy of the Swine Record.

A member of the Swine Breeders' Association is allowed to register pigs at 50c. per head; non-members are charged \$1.00 per head.

A member of the Sheep Breeders' Association is allowed to register sheep at 50c. per head, while non-members are charged \$1.00.

The name and address of each member, and the stock he has for sale, are published once a month. Over 20,000 copies of this directory are mailed monthly. Copies are sent to each Agricultural College and each Experiment Station in Canada and the United States, also to prominent breeders and probable buyers resident in Canada, the United States and elsewhere.

A member of an Association will only be allowed to advertise stock corresponding to the Association to which he belongs; that is, to advertise cattle he must be a member of the Dominion Cattle Breeders' Association, to advertise sheep he must be a member of the Dominion Sheep Breeders' Association, and to advertise swine he must be a member of the Dominion Swine Breeders' Association.

The list of Cattle Breeders will be published in the first issue of each month, of Sheep Breeders in the second issue, and of Swine Breeders in the third issue. Members having stock for sale, in order that it may be included in the BLUE LIST, are required to notify the undersigned, by letter, at least seven days before the date of issue, of the number, breed, age and sex of the animals. Should a member fail to do this, only his name and address will appear in the next monthly issue. The data will be published in the most condensed form.

F. W. Houson, Secretary.
Parliament Buildings, Toronto, Ont.

NOTES FROM FARMERS' INSTITUTE FIELD NO. 8.

Husbandman, John MacMillan, M.P., and Prof. Dean, O.A.C.

The field for the first week lay about Harwood and Grafton in West Northumberland; Wooler, East Northumberland; Frankford and Wallbridge, West Hastings. The average attendance has been 57 in the afternoon, and 295 in the evening. At most of the evening meetings the halls have not been large enough to accommodate the people. The Institute is becoming more popular every year, so say the officers of each one. Mr. MacMillan says that the Institute is the farmers' High School, and certainly the attendance and interest have been good so far in Division 8. It is noticeable that the secretaries and officers understand and do their work much better than formerly. A proper programme is prepared and adhered to,

whereas formerly it was a haphazard, happy-go-lucky method adopted. In the evening suitable music is provided, which tends to make the meetings pleasant and profitable. More local men take part. Mr. Allan, of Cobourg, gave an address on poultry at Harwood; Messrs. Kerr, McColl, and Watson, of Cobourg, spoke at Grafton. At Wooler, East Northumberland, the president is the youngest man in the chair that the delegation has ever seen. He is but a "stripling," yet he did credit to himself and to the Institute. The secretary is a young man, a graduate of the Dairy School in Guelph, who gave as neat an address on farm butter-making as one could hear anywhere. Mr. Geo. Carlow is a "noble son of a noble sire." Messrs. Phillips and Bate, the latter an ex-student of the O.A.C., gave excellent addresses on sheep culture, while Messrs. Douglas and Terrill told of the good qualities of the Ayrshire cow.
