AN Institution for the education of both young ladies and gentlemen. It is situated in St. Martins, a beautiful village on the shore of the Bay of Fundy, near St. John. The building is 217 feet long by 130 feet deep, well ventilated, and heated throughout with a bountiful supply of water in every flat. Every room is completely furnished with everything save bed covering. The building is so constructed that students of both departments can attend to all appointments without exposing themselves to inclement weather. In short, it supplies a complete home. A competent staff of instruction is now engaged. The Board is \$2.50 a week, and with tuition in Preparatory Studies, including laundry, room rent and heating, amounts to \$137.50 a year.
