If you wish a good investment for your spare capital, communicate with me. I have choice properties in growing localities and on easy terms. My long experience with Toronto real estate places me in a position to offer advantages to my clients that few others possess. Will mention a few properties that if purchased now are sure to yield a handsome profit within three months.

Mimico, the coming manufacturing suburb of Toronto, is without doubt a grand place for an investment. My property for sale there is within three minutes' walk of several very large factories; the public school, several fine stores and dwellings and two hotels adjoin the property which is situated on Mimico and Hornor avenues, the leading business streets. I have also good investments in West Toronto Junction and central property. Plans and all information sent free of charge on application.
