TESTIMONIAL
 ISA GORDON & SONS, CITY MILLS,
 Nov. 15th, 1894.

Dear Sirs.—Your Patent Sewed Belt has been in use in our "City Mills" for some time. We are thoroughly convinced of its superiority over any belt, American or Canadian we have used in an experience of over 25 years. It stretches so little, and gives so little trouble, that compared with riveted belting the Patent belt saves double its price in time and labor cost. We heartily recommend it to manufacturers as the cheapest and most satisfactory belt in the market.

Yours respectfully,
 W. MARSHALL,
 Foreman City Flour Mills.

Messrs. Harris, Heenan & Co., Montreal.

I have pleasure in recommending the belting manufactured by Messrs. Harris, Heenan & Co. of this city. After thoroughly testing it, I find it greatly superior to any belting that has come under my notice and fully equal to all they claim for it, and certainly without an equal for cross or double belting.
