#### The Northwest.

Our attention has been called in various ways to the forest wealth of the Canadian Northwest, and recently we published some account of it given by the *Calgary Herald*. Its extent is not yet fully known. Mr. W. O. Van Horne, General Manager of the Canadian Pacific Railway Company, has lately been over the mountain section of the line, and thus remarks about the country it traverses:—"In addition to the agricultural possibilities of the many valleys of British Columbia, and its great mineral wealth, its magnificent forests alone will furnish a large and remunerative traffic for the railway."

#### A Fatal Accident at Kincardine.

KINCARDINE, Oct. 27.—John McLeod, a young man, lost his life this morning. While attending to his duties in the engine room of Rightmy'salt works he came in contact with the driving wheel and was instantly killed.

#### How to Save Money,

And we might also say time and pain as well, in our advice to good house-keepers and ladies generally. The great necessity existing always to have a perfectly safe remedy convenient for the relief and prompt cure for the ailments peculiar to woman—functional irregularity, constant pains and all the symptoms attendant upon uterine disorders—induces us to recommend strongly and unqualifiedly Dr. Pierce's Favorite Prescription—woman's best friend. It will save money.
