### SERMON ON ðE MOUNT.

Blesed ar ðe pur in spirit: for ðarz iz ðe kingdom ov hevn.

Blesed ar ða ðat morn: for ða shal bi cumforted.

Blesed ar ðe mik: for ða shal inherit ði erth.

Blesed ar ða ðat hunger and therst after raitiosnes: for ða shal bi fild.

Blesed ar ðe mersiful; for ða shal obta mersi.

Blesed ar ðe piur in hart: for ða shal si God.

Blesed ar ðe pis-makerz: for ða shal bi còld sunz ov God.

Blesed ar ða ðat hav bin persekiüted for raitiosnes sak: for ðarz iz ðe kingdom ov hevn. Blesed ar yī hwen men shal reproch yu, and persekiüt yu, and se ol maner ov ivl agenst yu folsli for mai sak. Rejois and bi ecsiding glad: for grat iz yur reword in hevn: for so persekiüted ða ðe profets hwich wer befor yu.

Yī ar ðe solt ov ði erth: but if ðe solt hav lost its savor, hwerwið shal it bi solted? it iz ðensforth gud for nuthing, but tu bi cast aut and trodn under fut ov men. Yī ar ðe lait ov ðe wurld. A siti set on a hil cannot bi hid. Nīder dū men lait a lamp, and put it under ðe bushel, but on ðe stand; and it shaineth untu ol ðat ar in ðe haus. Ivn so let yur lait shain befor men, ðat ða mā si yur gud wurks and glōrifai yur Faðer in hevn.

### IMPRUVMENT.

No grat invension ever atand perfecion at wun baund. ðe histori ov ol sosal or political sistemz iz ðat ov a siriz ov ecsperiments, nau in ðis direcsion, nau in ðat: hir evolūsion, ðar revolūsion, skimz for mōr perfect wurking brôt tu falyur wun after anuðer, until parsial succsess iz obtand; ðen anuðer rrajustment ov condisionz, folod bai a bræk-daun from a defect in mecanizm; ðen mōr amendments, mōr ecsperiments, until, litl bai litl, ðe sistem aprōchez perfecion—slo, veri slo, toilsom, up-hil proses. Iz ðer cōz for discurejment in ðe prospect? Iz not ðis ðe mod bai hwich enithing ov grat and permanent valyu ov manz invension haz bin prodiüst? Hau meni hundred trialz and ecsperiments, hau meni aparent falyurz, hau meni imprūvmnts and olterasionz bai wun inventer after anuðer wer nesereri befor ðe stīm-enjin araivd at its preznt stat ov perfecion?—PHILIPS THOMSON in *Politics of Labor*, p. 20.

### A NATYURALISTS POKETS.

M<sup>r</sup> Frank Bukland, ðe famos natyuralist, veri seldom wor an overcpt, but hwen hī did so, it woz mōr becōz ov ði ecstra pokets it contand ðan for wormth.

Hwen hī returnd from Frans on wun ocazion hī had it stuft wið natyural histori spesimenz ov ol sorts, ded and aldiv, amung ðem a munki plast in a larj brest poket.

Hwen M<sup>r</sup> B. woz geting ðe tiket, ðe munki thrust hiz hed aut and atracted ði atension ov ðe clerk hū imūdietli sed:—

"Yu must tak an ecstra tiket for ðat dog."

"Dog!" sed ðe natyuralist. "It 's no dog."

But ðe clerk sed: "Yu must pa for it." ðe natyuralist tuk a tortis aut ov hiz poket, and sed: "Perhaps yu cōl ðis a dog?"

"No," sed ðe clerk. "Wī mak nō charj for ðem; ða 'r insects."
