The atmost to fire another to make the forest end such as he can, therefore, with the utmost confidence, restricted to the master to orders equally when the master to be stories of the yet salmosare to their chera-orare in morthern occan—capable of enduring unkerfrozen arrenty of an arctic winter.—cher-ishing, anidst the irregial ridge of navil islany, amount the errogenterates of navallation, the warmth of domestic affection; and navage and the solitaries of the waver, the sampling sentenceuts of religious daty. By such virtues, not a transient, but an endurating table is formed. It is by such toristade that a lasting impression on human affeirs is produced. Her annotate all our admiration for the character of the British may, destined to rival in the annals of the world the celebrity of the Roman lemons, we must not onal to pay a just tribute to the memory of their gallant and unfortunate, but not on that account less estimable antagonals. In the long and crouses blo antagonal. In the long and arduous struggle which for three conturns the trench may monthined with the English they were called to the exercise of qualities perhaps stal more worthy of admication. Theirs was the courage which can

ton There was the courage which can resolutely advance, not to vectory but defeat the herosan which knows how to encounter not only danger but obleque; which can long and bravely maintain a sinking cause, uncheered by one ray of public sympathy; which under a sense of duty, can return to a combat in which disaster only can be unicipated; and sacrifice not only lite, but reputation in the cause not only lite, but reputation in the cause of a rountry which he moused on success alone the smiles of general favour. Nappleon constantly lamented that his admirals, though personally brave, wanted the skillul combination, the daring energy, which dis-tinguished the leaders of the land forces, and gave the English such automshing tri-umphs; but had he possessed more e indour. or been more telerant of medertune, he would have seen that such daring can be

acquired only in the school of victory; that as self-confidence is its soul, so despon-dence is its run; and that in reality the
