The Holy of Holies. By Alexander McLaren, D.D. Our expectation is always high when a new book by Dr. McLaren appears, and it is not disappointed in the present volume. In it the great preacher gives us a series of sermons on the 14th, 15th and 16th chapters of St. John's Gospel. Here we have abundant proof of the careful and able exposition, the original thought, the wealth of illustration, the deep pathos, the stirring appeal, the helpful teaching, the profound spirituality which have combined to give Dr. McLaren the place of a prince among preachers. Every sermon glows with unction, and shows intense power 1 50
